Arthur's Sing along songs

A New England - Billy Bragg

I was twenty-one years when I wrote
this song
Im twenty-two now, but I wont be for
long
People ask me when will I grow up to
understand
Why the girls I knew at school are
already pushing prams

I loved you then as I love you still
Though I put you on a pedestal, you
put me on the pill
I dont feel bad about letting you go
I just feel sad about letting you
know

I dont want to change the world
Im not looking for a new england
Are you looking for another girl

I loved the words you wrote to me
But that was bloody yesterday
I cant survive on what you send
Every time you need a friend

I saw two shooting stars last night
I wished on them, but they were only
satellites
Its wrong to wish on space hardware
I wish, I wish, I wish youd care

I dont want to change the world
Im not looking for a new england
Are you looking for another girl

My dreams were full of strange ideas
My mind was set despite the fears
But other things got in the way
I never asked that boy to stay

Once upon a time at home
I sat beside the telephone
Waiting for someone to pull me
through
When at last it didnt ring, I knew it
wasnt you

I dont want to change the world
Im not looking for a new england
Are you looking for another girl

Alison - Elvis Costello

1.
Oh! it's so funny to be seeing you
after so long girl, and from the way
you look I understand that you are
not impressed,
but I heard you let that little
friend of mine, take of your party
dress,

I'm not gonna get too sentimental
like those other sticker valentines,
and I don't know if you've been
lovin' somebody, I only know it isn't
mine.

Chorus.

Alison, I know this world is killin'
you, Oh! Alison, my aim is true.

2.
Well I see you've got a husband now,
did he leave your pretty fingers
lying in the wedding cake?
you used to hold him right in your
hand, but you took all he could take,
sometimes I wish that I could stop
you from talking, when I hear the
silly things that you say,
I wish somebody would just turn out
the big light,
because I can't stand to see you this
way.

Chorus.

My aim is true,

Arthur's Sing along songs

Baby now that I've found you - The Foundations

Baby now that I've found you I can't
let you go,
I'll build my world around you I need
you so,
baby even though you don't need me
you don't need me,

Baby now that I've found you I can't
let you go,
I'll build my world around you I need
you so,
baby even though you don't need me,
you don't need me,

Baby baby since first we met I knew
in this heart of mine,
that the love we had could not be bad
I'd play it right and bide my time,

Spent my whole life looking for
somebody, to give me love like you,
now you tell me that your gonna leave
me, darlin' I just can't let you,

Chorus and verse 2 again

Babylon - David Gray

Friday night I'm going nowhere
All the lights are changing green to
red
Turning over TV stations
Situations running through my head
Well looking back through time
You know it's clear that I've been
blind

I've been a fool
To ever open up my heart
To all that jealousy, that
bitterness, that ridicule

Saturday I'm running wild
And all the lights are changing red
to green
Moving through the crowd I'm pushing
Chemicals all rushing through my
bloodstream
Only wish that you were here
You know I'm seeing it so clear
I've been afraid
To tell you how I really feel
Admit to some of those bad mistakes
I've made

If you want it
Come and get it
Crying out loud
The love that I was
Giving you was
Never in doubt
Let go your heart
Let go your head
And feel it now

Babylon, Babylon

Sunday all the lights of London
Shining , Sky is fading red to blue
I'm kicking through the Autumn leaves
And wondering where it is you might
be going to
Turning back for home
You know I'm feeling so alone
I can't believe
Climbing on the stair
I turn around to see you smiling
there
In front of me

If you want it Come and get it
Crying out loud
The love that I was Giving you was
Never in doubt
Let go your heart
Let go your head
And feel it now

Babylon, Babylon, Babylon

Arthur's Sing along songs

Black velvet band -The Dubliners

In a neat little town they call
Belfast
Apprenticed in trade I was bound
And many an hour of sweet happiness
I spent in that neat little town
Till bad misfortune befell me
And caused me to stray from the land
Far away from my friends and
relations
To follow the black velvet band

Her eyes they shone like the
diamond
You'd think she was queen of the
land
And her hair hung over her shoulder
Tied up in a black velvet band

Well, I was out strolling one evening
Not meaning to go very far
When I met with a pretty young damsel
She was selling her trade in a bar
When a gold watch, she took from a
customer
And slipped it right into my hand
Then the Watch came and put me in
prison
Bad luck to the black velvet band

Next morning before judge and jury
For our trial I had to appear
The judge, he said, "Young fellow
The case against you is quite clear
And seven years is your sentence
You're going to Van Dieman's Land
Far away from your friends and
relations
To follow the black velvet band"

So come all you jolly young fellows
I'd have you take warning by me
And whenever you're out on the liquor
Beware of the pretty colleen
They'll fill your with whiskey and
porter
Until You're not able to stand
And the very next thing that you know
You're landed in Van Dieman's Land

Brown Eyed Girl - Van Morrison

Hey where did we go,
days when the rain came,
down in the hollow,
playing a new game,
laughing and a running,
skipping and a jumping,
in the misty morning fog,
with both our hearts a thumping and
you,

Chorus
My brown eyed girl,
You're my brown eyed girl

2.
What ever happened, that Tuesday went
so slow, going down the old mine,
with a transistor radio, standing in
the sunlight laughing,
hide behind the rainbows wall,
slipping and a sliding,
all along the waterfall with you,

Chorus
Do you remember when, we used to
sing, Sha la la la la la, etc.

3.
So hard to find my way, now that I'm
on my own, I saw you just the other
day,
my how you have grown, cast my memory
back then, sometimes I'm over come,
making love in the green grass behind
the stadium with you,

Chorus
Do you remember when etc.

Arthur's Sing along songs

Caravan of love - The Housemartins

Are you ready, Are you ready

You better get ready

Crazy - Gnarl Barkley

I remember when, I remember, I
remember when I lost my mind
There was something so pleasant about
that Place.
Even your emotions have an echo
in so much space

And when you're out there
Without care,
Yeah, I was out of touch
But it wasn't because I didn't know
enough
I just knew too much

Does that make me crazy
Does that make me crazy
Does that make me crazy
possibly

And I hope that you are having the
time of your life
But think twice
That's my only advice

Come on now, who do you, who do you,
who do you, who do you think you are
Ha ha ha bless your soul
You really think you're in control

Well, I think you're crazy
I think you're crazy
I think you're crazy
Just like me

My heroes had the heart to lose their
lives out on a limb
And all I remember Is thinking, I
want to be like them

Ever since I was little, ever since I
was little oh it looked like fun
And it's no coincidence I've come
And I can die when I'm done

But maybe I'm crazy
Maybe you're crazy
Maybe we're crazy
Probably

Dancing in the moonlight -Toploader

We get it on most every night
When that moon is big and bright
Its a supernatural delight
Everybodys dancing in the moonlight

We get
Everybody here is out of sight
They don't bark and they don't bite
They keep things loose they keep it tight
Everybodys dancing in the moonlight

Dancing in the moonlight
Everybodys feeling warm and bright
Its such a fine and natural sight
Everybodys dancing in the moonlight

We like our fun and we never fight
You cant dance and stay uptight
Its a supernatural delight
Everybody was dancing in the moonlight

Dancing in the moonlight
Everybodys feeling warm and bright
Its such a fine and natural sight
Everybodys dancing in the moonlight

We get in on most every night
And when that moon is big and bright
Its a supernatural delight
Everybodys dancing in the moonlight

Dancing in the moonlight
Everybodys feeling warm and bright
Its such a fine and natural sight
Everybodys dancing in the moonlight

Daniel - Elton John

Daniel is travelling tonight on a plane
I can see the red tail lights heading for Spain
Oh and I can see Daniel waving goodbye
God it looks like Daniel, must be the clouds in my eyes

They say Spain is pretty though I've never been
Well Daniel says it's the best place that he's ever seen
Oh and he should know, he's been there enough
Lord I miss Daniel, oh I miss him so much

Daniel my brother you are older than me
Do you still feel the pain of the scars that won't heal
Your eyes have died but you see more than I
Daniel you're a star in the face of the sky

Daniel is travelling tonight on a plane
I can see the red tail lights heading for Spain
Oh and I can see Daniel waving goodbye
God it looks like Daniel, must be the clouds in my eyes
Oh God it looks like Daniel, must be the clouds in my eyes

Arthur's Sing along songs

Day after Day - Badfinger

I remember finding out about you,
Everyday my mind is all around you,
looking out from my lonely room
Day after Day,
coming home baby make it soon,
I'll give my life to you.

2.

I remember holding you while you
sleep,
Everyday I feel the tears that you
weep,
looking out from my lonely room
Day after Day,
Coming home baby make it soon
I'll give my life to you.

Repeat verse

At end do as follows

(slowly) I'll give my life to you.

Days - The Kinks

Thank you for the days
Those endless days, those sacred days
you gave me
I'm thinking of the days
I won't forget a single day believe
me,
I bless the light,
I bless the light that lights on you
believe me,
And though you're gone,
You're with me every single day
believe me,
Days I'll remember all my life,
Days when you can't see wrong from
right,
You took my life,
But then I knew that very soon you'd
leave me.
But it's alright,
Now I'm not frightened of this world
believe me.
I wish today could be tomorrow,
The night is long
It just brings sorrow let it wait.
Thank you for the days
Those endless days, those sacred days
you gave me,
I'm thinking of the days,
I won't forget a single day believe
me.
Days I'll remember all my life,
Days when you can't see wrong from
right.
You took my life,
But then I knew that very soon you'd
leave me.
But it's alright,
Now I'm not frightened of this world
believe me.
Days
Thank you for the days,
Those endless days, those sacred days
you gave me.
I'm thinking of the days,
I won't forget a single day believe
me.
I bless the light,
I bless the light that lights on you
believe me.
And though you're gone,
You're with me every single day
believe me.

Diary - Bread

I found her diary underneath the tree, and started reading about me, The words she'd written took me by surprise, you'd never read them in her eyes, They said that she had found the love she'd waited for,

Wouldn't you know it,
She wouldn't show it,

And when confronted by the writing there, simply pretended not to care, I passed it off as just in keeping with her total disconcerting air, and though she tried to hide the love that she denied,

Wouldn't you know it,
She wouldn't show it,

and as I go through my life,
I will wish for her my wife,
all the sweet love she can find,

I found her diary underneath the tree, and started reading about me, the words began to twist and tears to flow, her meaning now was clear, to see, the love she'd waited for was someone else not me,

and wouldn't you know it,
she wouldn't show it,

and as I go though my life, I will wish for her his wife,
all the sweet love they can find,
all the sweet love they can find.

Don't dream its over - Crowded house

There is freedom within, there is freedom without
Try to catch the deluge in a paper cup
There's a battle ahead, many battles are lost
But you'll never see the end of the road
While you're traveling with me
Hey now, hey now
Don't dream it's over
Hey now, hey now
When the world comes in
They come, they come
To build a wall between us
We know they won't win
Now I'm towing my car, there's a hole in the roof
My possessions are causing me suspicion but there's no proof
In the paper today tales of war and of waste
But you turn right over to the T.V. page
Now I'm walking again to the beat of a drum
And I'm counting the steps to the door of your heart
Only shadows ahead barely clearing the roof
Get to know the feeling of liberation and relief
Hey now, hey now
Don't dream it's over
Hey now, hey now
When the world comes in
They come, they come
To build a wall between us
Don't ever let them win

Arthur's Sing along songs

Don't let me be misunderstood - The animals

Baby, do you understand me now
Sometimes I feel a little mad
But don't you know that no one alive
Can always be an angel
When things go wrong I seem to be bad
But I'm just a soul whose intentions
are good
Oh Lord, please don't let me be
misunderstood
Baby, sometimes I'm so carefree
With a joy that's hard to hide
And sometimes it seems that all I
have do is worry
Then you're bound to see my other
side
But I'm just a soul whose intentions
are good
Oh Lord, please don't let me be
misunderstood
If I seem edgy I want you to know
That I never mean to take it out on
you
Life has it's problems and I get my
share
And that's one thing I never meant to
do
Because I love you
Oh, Oh baby don't you know I'm human
Have thoughts like any other one
Sometimes I find myself long
regretting
Some foolish thing some little simple
thing I've done
But I'm just a soul whose intentions
are good
Oh Lord, please don't let me be
misunderstood
Yes, I'm just a soul whose intentions
are good
Oh Lord, please don't let me be
misunderstood
Yes, I'm just a soul whose intentions
are good
Oh Lord, please don't let me be
misunderstood

Everybody's talking - Harry Nilson

Everybody's talking at me.
I don't hear a word they're saying,
Only the echoes of my mind.
People stopping staring,
I can't see their faces,
Only the shadows of their eyes.

I'm going where the sun keeps shining
Thru' the pouring rain,
Going where the weather suits my
clothes,
Backing off of the North East wind,
Sailing on summer breeze
And skipping over the ocean like a
stone.

I'm going where the sun keeps shining
Thru' the pouring rain,
Going where the weather suits my
clothes,
Backing off of the North East wind,
Sailing on summer breeze
And skipping over the ocean like a
stone
Every night I just wanna go out, get
out of my head
Every day I dont want to get up, get
out of my bed
Every night I want to play out
And every day I want to do ooh ooh oh
oh
But tonight I just want to stay in
And be with you,
And be with you.
Ooh
Ooh
Believe me mama
Every day I lean on a lamp post, Im
wasting my time
Every day I lay on a pillow, Im
resting my mind
Every morning brings a new day
Every night that day is through ooh
ooh oh oh
But tonight I just want to stay in
And be with you,
And be with you.
Ooh
Ooh
Believe me mama ooh
Ooh

Fall at your feet - Crowded House

I'm really close tonight
And I feel like I'm moving inside her
Lying in the dark
And I think that I'm beginning to
know her
Let it go
I'll be there when you call

And whenever I fall at your feet
You let your tears rain down on me
Whenever I touch your slow turning
pain

You're hiding from me now
There's something in the way that
you're talking
Words don't sound right
But I hear them all moving inside
you, go
I'll be waiting when you call

Hey and whenever I fall at your feet
Won't you let your tears rain down on
me
Whenever I touch your slow turning
pain

The finger of blame has turned upon
itself
And I'm more than willing to offer
myself
Do you want my presence or need my
help
Who knows where that might lead
I fall

Whenever I fall at your feet
Would you let your tears rain down on
me
Whenever I fall, ever I fall
Groovy Kind of Love Lyrics

Ferry Across the Mersey - Gerry and the Pacemakers

Life goes on day after day,
and hearts torn in every way

So Ferry cross the Mersey 'cause this
lands the land I love and here I'll
stay

People they rush every where,
Each with their own special cares

So ferry cross the Mersey and always
take me there the place I love,
People around every corner, seem to
stop and say,
we don't know what your name is boy
but we'll never turn you away.

So I continue to say, that here I
always will stay

So ferry cross the Mersey 'cause this
lands the land I love and here I'll
stay,
and here I'll stay, and here I'll
stay.

Girls Talk - Dave Edmonds

Well there are some things you can't
cover up with lipstick and powder,
but I heard you mention my name can't
you talk any louder,
Don't come any closer don't come any
nearer,
My vision of you can't come any
clearer

Oh oh I just wanna hear Girls
talk,

I've got a loaded imagination being
fired by girls talk,
It's a more or less situation
inspired by girls talk,
Was it really murder, was she just
pretending,

lately I have heard you are to live
with him,

Chorus

Girls talk and they wanna know how,
Girls talk and they say its not
allowed,

Girls talk, but you think you know
how Girls talk, if they think that
it's so,
Don't you think that I'd know by now.

3.

Now the words upon everyone's lips
stick that your getting baited,
Now you may not be an old fashioned
girl but you're gonna get dated,
But I can't say the words you wanna
hear,
I suppose you're gonna have to play
it by ear,
right here and now Girls talk, I
wanna know how Girls talk,
but you say I'm not allowed girls
talk, if you think that it's so,
don't you think that I'd know by now,

Verse 1 again

girls talk yeah! yeah! yeah! yeah!,
girls talk yeah! yeah! yeah! yeah!

girls talk.

God Only Knows - Beach boys

I may not always love you, but long
as there are stars above you,

you'll never need to doubt it, I'll
make you so sure about it,

Chorus

God only knows what I'd be without
you

If you should ever leave me oh! life
would still go on believe me,
the world could show nothing to me,
so what good would living do me,

chorus

Good Year For The Roses - Elvis Costello

I can hardly stand the sight of
lipstick on the cigarettes there in
the ash tray,
Lying cold the way you left them, but
at least your lips caressed them
while you packed.
Or the lip ring on the half filled
cup of coffee that you poured and
didn't drink.
But at least you said you wanted it
that's so much more than I can say
for me.

What a good year for the roses,
many blooms still linger there.
The lawn could stand another mowing,
funny I don't even care.
As you turn to walk away, as the
door behind you closes,
The only thing I have to say,
It's been a good year for the roses.

After three full years of marriage,
it's the first time that you haven't
made the bed,
I guess the reason we're not talkin'
there's so little left to say we
haven't said,
and as a million thoughts go racin'
through my mind I find I haven't said
a word, and from the bedroom a
familiar sound our one baby's
cryin' goes unheard.

Chorus.

Goodbye Girl - Squeeze

I met her in a poolroom
Her name I didnt catch
She looked like something special
The kind whod understand
The room was almost spinning
She pulled another smile
She had the grace like pleasure
She had a certain style

Sunlight on the lino
Woke me with a shake
I looked around to find her but shed
gone
Goodbye girl
Goodbye girl
Goodbye girl

She took me to her motel
The room on the second floor
A kettle and two coffees
Her number on the door
She said I hardly know you
Agreed we kissed goodnight
I knew that in the morning
Somehow Id wake to find

Sunlight on the lino
Woke me with a shake
I looked around to find her but shed
gone
Goodbye girl
Goodbye girl
Goodbye girl

I lost my silver bracelet
My clubroom locker keys
The money in the billfold
It doesnt bother me
My wife has moved to boston
So luck is not the word
If you ever see her
Say hello goodbye girl

Sunlight on the lino
Woke me with a shake
I looked around to find her but shed
gone
Goodbye girl
Goodbye girl
Goodbye girl
Goodbye girl
Goodbye girl
Goodbye girl
Goodbye girl

Groovy kind of love -The Mindbenders

When I'm feeling blue, all I have to do

Is take a look at you, then I'm not so blue

When you're close to me,
I can feel your heart beat
I can hear you breathing near my ear
Wouldn't you agree, baby you and me
Got a groovy kind of love

Anytime you want to you can turn me on to

Anything you want to, anytime at all
When I kiss your lips,
Ooh I start to shiver
Can't control the quivering inside
Wouldn't you agree, baby you and me
Got a groovy kind of love

When I'm feeling blue, all I have to do

Is take a look at you, then I'm not so blue

When I'm in your arms,
Nothing seems to matter
My whole world could shatter, I don't care
Wouldn't you agree, baby you and me
Got a groovy kind of love

We got a groovy kind of love
We got a groovy kind of love,
Oh We got a groovy kind of love

Hallelujah - Leonard Cohen

I've heard there was a secret chord
That David played, and it pleased the Lord,
But you don't really care for music, do you?

It goes like this
The fourth, the fifth, The minor fall,
The major lift, The baffled king composing Hallelujah

Hallelujah, Hallelujah, Hallelujah,
Hallelujah

Your faith was strong but you needed proof,
You saw her bathing on the roof
Her beauty, in the moonlight overthrew you.

She tied you To a kitchen chair
She broke your throne,
she cut your hair And from your lips
she drew the Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

Maybe I've been here before
I know this room, I've walked this floor

I used to live alone before I knew you

I've seen your flag on the marble arch

love is not a victory march
It's a cold and it's a broken hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

There was a time you'd let me know
What's real and going on below
But now you never show it to me do you?

Remember when I moved in you?
The holy dark was moving too
And every breath we drew was hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

Maybe there's a God above
And all I ever learned from love
Was how to shoot at someone who outdrew you

It's not a cry you can hear at night
It's not somebody who's seen the light

It's a cold and it's a broken hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah

Happy Hour - The Housemartins

Its happy hour again
I think I might be happy if I wasn't
out with them
And they're happy it's a lovely place
to be
Happy that the fire is real the
barman is a she
Where the haircuts smile
And the meaning of style
Is a night out with the bass
Where you win or you lose
And it's them who choose
And if you don't win then you've lost

What a good place to be
Don't believe it
cause they speak a different language
And it's never really happened to me
{its happy hour again}
Don't believe it
cause they speak a different language
And it's never really happened to me
{its happy hour again}

It's another night out with the boss
Following in footsteps overgrown with
moss
And they tell me that women grow on
trees
And if you catch them right they will
land upon their knees

Where they open all their wallets
And they close all their minds
And they love to buy you all a drink
And then we ask all the questions
And you take all your clothes off
And go back to the kitchen sink

Hats off to Larry - Del Shannon

Once I had a pretty girl, her name it
doesn't matter,
she went away with another guy, and
now he won't even look at her,

hats off to larry he broke your
heart,
just like you broke mine when you
said we must part,
he told you lies and it's your turn
to cry cry cry,
now that larry said good bye to you,

I know this may sound strange, I want
you back I think you'll change,

but there's one more thing I gotta
say,

Hats off to larry, it may sound
cruel,
but you laughed at me when you said
we were through, you told me lies,
it's your turn to cry, cry, cry,

now that larry said goodbye to you

I can't let Maggie go - Honeybus

She makes me laugh, she makes me cry
With a twinkle of her eye

She flies like a bird in the sky
She flies like a bird and I wish that
she was mine
She flies like a bird, oh me, oh my
I see, I sigh, now I know
I can't let Maggie go

We walk here and we walk there
People stop and people stare

'Cause she flies like a bird in the
sky
She flies like a bird and I wished
that she was mine
She flies like a bird, oh me, oh my
I see, I sigh, now I know
I can't let Maggie go

Oh, she flies like a bird in the sky
She flies like a bird and I wished
that she was mine
She flies like a bird, oh me, oh my
I see, I sigh, now I know
I can't let Maggie go

Oh yes, I wish that she was mine
She flies like a bird, oh me, oh my
I see, I sigh, now I know
I can't let Maggie go

I Will - The Beatles

Who knows how long I've loved you
You know I love you still
Will I wait a lonely lifetime
If you want me to I will

For if I ever saw you
I didn't catch your name
But it never really mattered
I will always feel the same

Love you forever, and for ever
Love you with all my heart
Love you whenever we're together
Love you when we're apart

And when at last I find you
Your song will fill the air
Sing it loud so I can hear you
Make it easy to be near you
For the things you do dear you
To me ah, you know I will
I will

Arthur's Sing along songs

In my life - the Beatles

There are places I remember
All my life, though some have changed
Some forever not for better
Some have gone and some remain
All these places had their moments
With lovers and friends
I still can recall
Some are dead and some are living
In my life I've loved them all

But of all these friends and lovers
there is no one compares with you
And these memories lose their meaning
When I think of love as something new
Though I know I'll never lose
affection
For people and things that went
before
I know I'll often stop and think
about them
In my life I love you more

Though I know I'll never lose
affection
For people and things that went
before
I know I'll often stop and think
about them
In my life I love you more
In my life I love you more

It Must Be Love - Labi Siffre

I never thought i'd miss you half as
much as i do
And i never thought i'd feel this way
the way i feel about you.
As soon as i wake up, every night,
every day
I know that it's you i need to take
the blues away.

It must be love, love, love. It must
be love, love, love.
Nothing more nothing less love is the
best.

How can it be that we can say so much
without words.
Bless you and bless me, bless the
bees and the birds.
I've got to be near you, every night,
every day
I couldn't be happy any other way.

It must be love, love, love. It must
be love, love, love.
Nothing more nothing less love is the
best.

As soon as i wake up, every night,
every day
I know that it's you i need to take
the blues away.

It must be love, love, love. It must
be love, love, love.
It must be love, love, love. It must
be love, love, love.
It must be love, love, love. It must
be love, love, love.
It must be love, love, love. It must
be love, love, love.

This Boy - The Beatles

That boy took my love away,
He'll regret it someday,
But this boy wants you back again.

That boy isn't good for you,
Tho' he may want you too,
This boy wants you back again.

Oh, and this boy would be happy,
Just to love you, but oh my-yi-yi,
That boy won't be happy,
Till he's seen you cry-hi-hi.

This boy wouldn't mind the pain,
Would always feel the same,
If this boy gets you back again.
This boy. This boy.

Jackie Wilson said - Van Morrison

Da, da, da, da, da,
Jackie Wilson said
It was "Reet-Petite"
Kinda love you got
Knock me off my feet
Let it all hang out
Oh, let it all hang out.
And you know
I'm so wired-up
Don't need no coffee in my cup
Let it all hang out
Let it all hang out.

Watch this:

Ding-a-ling-a-ling
Ding-a-ling-a-ling-ding
Ding-a-ling-a-ling
Ding-a-ling-a-ling-ding
Do-da-do-da
I'm in heaven, I'm in heaven
I'm in heaven, when you smile
When you smile, when you smile
When you smile.
And when you walk
Across the room
You make my heart go
Boom-boom-boom
Let it all hang out
Baby, let it all hang out
And ev'ry time
You look that way
Honey chile, you make my day
Let it all hang out
Like the man said: let it all hang
out.

Love Grows - Edison lighthouse

She ain't got no money
Her clothes are kinda funny
Her hair is kinda wild and free
Oh, but Love grows where my Rosemary
goes
And nobody knows like me

She talks kinda lazy
And people say she she's crazy
And her life's a mystery
Oh, but Love grows where my Rosemary
goes
And nobody knows like me

There's something about her hand
holding mine
It's a feeling that's fine
And I just gotta say
She's really got a magical spell
And it's working so well
That I can't get away

I'm a lucky fella
And I've just got to tell her
That I love her endlessly
Because Love grows where my Rosemary
goes
And nobody knows like me

There's something about her hand
holding mine
It's a feeling that's fine
And I just gotta say
She's really got a magical spell
And it's working so well
That I can't get away

I'm a lucky fella
And I've just got to tell her
That I love her endlessly
Because Love grows where my Rosemary
goes
And nobody knows like me

Fadeout:
It keeps growing every place she's
been
And nobody knows like me

If you've met her, you'll never
forget her
And nobody knows like me

La la la- believe it when you've seen
it
Nobody knows like me

Maggie May - Rod Stewart

Wake up maggie I think I got
something to say to you
Its late september and I really
should be back at school
I know I keep you amused but I feel
Im being used
Oh maggie I couldnt have tried any
more
You lured me away from home just to
save you from being alone
You stole my heart and thats what
really hurt

The morning sun when its in your face
really shows your age
But that dont worry me none in my
eyes youre everything
I laughed at all of your jokes my
love you didnt need to coax
Oh, maggie I couldnt have tried any
more
You lured me away from home, just to
save you from being alone
You stole my soul and thats a pain I
can do without

All I needed was a friend to lend a
guiding hand
But you turned into a lover and
Mother what a lover, you wore me out
All you did was wreck my bed
And in the morning kick me in the
head
Oh maggie I couldnt have tried
anymore
You lured me away from home cause you
didnt want to be alone
You stole my heart I couldnt leave
you if I tried

I suppose I could collect my books
and get on back to school
Or steal my daddys cue and make a
living out of playing pool
Or find myself a rock and roll band
that needs a helpin hand
Oh maggie I wish Id never seen your
face
You made a first-class fool out of me
But Im as blind as a fool can be
You stole my heart but I love you
anyway

Maggie I wish Id never seen your face
Ill get on back home one of these
days

Me and Julio down by the school yard - Paul Simon

The mama pajama rolled out of bed
And she ran to the police station
When The papa found out he began to
shout
And he started the investigation

It's against the law
It was against the law
What the mama saw
It was against the law

The mama looked down and spit on the
ground
Everytime my name gets mentioned
The papa said oy if I get that boy
I'm gonna stick him in the house of
detention
Well I'm on my way
I don't know where I'm going
I'm on my way I'm taking my time
But I don'l know where
Goodbye to Rosie the queen of Corona
See you, me and Julio
Down by the schootyad
See you, me and Julio
Down by the schoolyard
Me and Julio down by the schoolyard

In a couple of days they come and
Take me away
But the press let the story leak
And when the radical priest
Come to get me released
We was all on the cover of Newsweek
And I'm on my way
I don't know where I'm going
I'm on my way I'm taking my time
But I don't know where
Goodbye to Rosie the queen of Corona
See you, me and Julio
Down by the schoolyard
See you, me and Julio
Down by the schoolyard
See you, me and Julio
Down by the schoolyard

fame,
I got all the riches baby, that one
big man can claim,

little bit scared,

I never ever felt this much aware

Arthur's Sing along songs

No man's land - Eric Bogle

Well, how'd you do, Private Willie
McBride, D'you mind if I sit down
down here by your graveside?
I'll rest for awhile in the warm
summer sun, Been walking all day,
Lord, and I'm nearly done.
I see by your gravestone you were
only nineteen When you joined the
glorious fallen in 1916,
I hope you died quick and I hope you
died "clean," Or, Willie McBride, was
it slow and obscene?
Did they beat the drum slowly, did
they sound the fife lowly? Did the
rifles fire o'er ye as they lowered
ye down?
Did the bugles sing "The Last Post"
in chorus?
Did the pipes play the "Floors¹ O'
The Forest" ?
And did you leave a wife or a
sweetheart behind
In some faithful heart is your memory
enshrined?
And, though you died back in 1916,
To that loyal heart are you forever
nineteen?
Or are you a stranger, without even a
name,
Forever enshrined behind some glass
pane,
In an old photograph, torn and
tattered and stained,
And fading to yellow in a brown
leather frame?
Chorus
Well, the sun's shining down on these
green fields of France;
The warm wind blows gently, the red
poppies dance.
The trenches have vanished long under
the plow;
No gas and no barbed wire, no guns
firing now.
But here in this graveyard it's still
No Man's Land; The countless white
crosses in mute witness stand
To man's blind indifference to his
fellow man. And a whole generation
who were butchered and damned.
Chorus
And I can't help but wonder now,
Willie McBride,
Do all those who lie here know why
they died?
Did you really believe them when they
told you "the cause?" Did you really
believe that this war would end wars?
Well the suffering, the sorrow, the
glory, the shame, The killing, the
dying, it was all done in vain,
For Willie McBride, it's all happened
again, And again, and again, and
again, and again.

Norwegian wood - the Beatles

I once had a girl, or should I say,
she once had me...
She showed me her room, isn't it
good, norwegian wood?

She asked me to stay and she told me
to sit anywhere,
So I looked around and I noticed
there wasn't a chair.

I sat on a rug, biding my time,
drinking her wine.
We talked until two and then she
said, "It's time for bed"

She told me she worked in the morning
and started to laugh.
I told her I didn't and crawled off
to sleep in the bath

And when I awoke, I was alone, this
bird had flown
So I lit a fire, isn't it good,
norwegian wood.

Arthur's Sing along songs

Now westlin winds - Robert Burns

Now westlin winds and slaught'ring
guns
Bring Autumn's pleasant weather;
The moorcock springs on whirring
wings
Among the blooming heather;
Now waving grain, wild o'er the
plain,
Delights the weary farmer;
And the moon shines bright, when I
rove at night,
To muse upon my charmer.

2. The partridge loves the fruitful
fells,
The plover loves the mountains;
The woodcock haunts the lonely dells,
The soaring hern the fountains.
Thro' lofty groves the cushat roves,
The path of man to shun it;
The hazel bush o'erhangs the thrush,
The spreading thorn the linnet.

3. Thus ev'ry kind their pleasure
find,
The savage and the tender;
Some social join and leagues combine,
Some solitary wander.
Avaunt away! the cruel sway,
Tyrannic man's dominion.
The sportsman's joy, the murd'ring
cry,
The flutt'ring gory pinion!

4. But Peggy dear, the ev'ning's
clear,
Thick files the skimming swallow,
The sky is blue, the field's in view,
All fading green and yellow.
Come let us stray our gladsome way,
And view the charms of Nature;
The rustling corn, the fruited thorn,
And ev'ry happy creature.

5. We'll gently walk and sweetly
talk,
Till the silent moon shines clearly;
I'll grasp thy waist and, fondly
presst,
Swear how I love thee dearly.
Not vernal show'rs to budding
flow'rs,
Not Autumn to the farmer,
So dear can be as thou to me,
My fair, and lovely charmer!

Oblivious - Aztec Camera

From the mountain tops down to the
sunny street,
A different drum is playing a
different kind of beat.
Its like a mystery that never ends.
I see you crying and I want to kill
your friends.

Chorus:
I hear your footsteps in the street,
It wont be long before we meet,
Its obvious.
Just count me in and count me out and
Ill be waiting for the shout,
Oblivious...

Met mo and shes okay, said no-one
really changed,
Got different badges but they wear
them just the same.
But down by the ballroom I recognized
that flaming fountain
In those kindered caring eyes.

Chorus
I hope it haunts me til Im hopeless,
I hope it hits you when you go,
And sometimes on the edge of sleeping
It rises up to let me know its not so
deep,
Im not so slow.

Chorus
Theyre calling all the shots, theyll
call and say they phoned,
Theyll call us lonely when were
really just alone.
And like a funny film, its kinda cute
Theyve bought the bullets and theres
no-one left to shoot.

Chorus

Oliver's Army - Elvis Costello

Don't start that talking
I could talk all night
My mind is sleepwalking
While I'm putting the world to right

Call careers information
Have you got yourself an occupation?

Oliver's army is here to stay
Oliver's army are on their way
And I would rather be anywhere else
But here today

There was a checkpoint Charlie
He didn't crack a smile
But it's no laughing party
When you've been on the murder mile

Only takes one itchy trigger
One more widow, one less white nigger

Oliver's army is here to stay
Oliver's army are on their way
And I would rather be anywhere else
But here today

Hong Kong is up for grabs
London is full of Arabs
We could be in Palestine
Overrun by a Chinese line
With the boys from the Mersey and the
Thames and the Tyne

But there's no danger
It's a professional career
Though it could be arranged
With just a word in Mr. Churchill's
ear

If you're out of luck or out of work
We could send you to Johannesburg

Oliver's army is here to stay,
Oliver's army are on their way,
And I would rather be anywhere else
But here today,
And I would rather be anywhere else
But here today,
And I would rather be anywhere else
But here today,
oh oh oh oh oh oh oh oh

One love (people get ready) - Bob marley

One Love! One Heart!
Let's get together and feel all
right.
Hear the children cryin' (One Love!);
Hear the children cryin' (One
Heart!),
Sayin': give thanks and praise to the
Lord and I will feel all right;
Sayin': let's get together and feel
all right. Wo wo-wo wo-wo!

Let them all pass all their dirty
remarks (One Love!);
There is one question I'd really love
to ask (One Heart!):
Is there a place for the hopeless
sinner,
Who has hurt all mankind just to save
his own beliefs?

One Love! What about the one heart?
One Heart!
What about - ? Let's get together and
feel all right
As it was in the beginning (One
Love!);
So shall it be in the end (One
Heart!),
All right!
Give thanks and praise to the Lord
and I will feel all right;
Let's get together and feel all
right.
One more thing!

Let's get together to fight this Holy
Armagiddyon (One Love!),
So when the Man comes there will be
no, no doom (One Song!).
Have pity on those whose chances
grows t'inner;
There ain't no hiding place from the
Father of Creation.

Sayin': One Love! What about the One
Heart? (One Heart!)
What about the - ? Let's get together
and feel all right.
I'm pleadin' to mankind! (One Love!);
Oh, Lord! (One Heart) Wo-ooh!

Give thanks and praise to the Lord
and I will feel all right;
Let's get together and feel all
right.
Give thanks and praise to the Lord
and I will feel all right;
Let's get together and feel all
right.

Pretty Flamingo - Manfred Man

On our block all of the guys call her
flamingo
Cause her hair glows like the sun,
pretty flamingo
And her eyes can light the sky

When she moves she walks so fine like
a flamingo
Crimson dress that clings so tight,
pretty flamingo
She's out of reach and out of sight

When she walks by, she brightens up
the neighbourhood
Oh every guy would make her his
If he just could, If she just would

Some sweet day, I'll make her mine
pretty flamingo
Then every guy will envy me
Cause paradise is where I'll be

Pretty flamingo pretty flamingo

When she walks by she brightens up
the
neighbourhood
Oh every guy would make her his if he
just could
If she just would

sha la la la la la la la pretty
flamingo
sha la la la la la la la pretty

Proud Mary - Creedence Clearwater Revival

Left a good job in the city,
Workin for the man evry night and
day,
And I never lost one minute of
sleepin,
Worryin bout the way things might
have been.

Chorus:
Big wheel keep on turnin,
Proud mary keep on burnin,
Rollin, rollin, rollin on the river.

Cleaned a lot of plates in memphis,
Pumped a lot of pain down in new
orleans,
But I never saw the good side of the
city,
til I hitched a ride on a river boat
queen.

Chorus
Rollin, rollin, rollin on the river.

If you come down to the river,
Bet you gonna find some people who
live.
You dont have to worry cause you have
no money,
People on the river are happy to
give.

Chorus
Rollin, rollin, rollin on the river.
Rollin, rollin, rollin on the river.
Rollin, rollin, rollin on the river.

Red red wine - UB40

Red, red wine
Go to my head
Make me forget that i
Still need her so

Red, red wine
It`s up to you
All I can do, i`ve done
But mem`ries won`t go
No, mem`ries won`t go

I`d have thought
That with time
Thoughts of her
Would leave my head
I was wrong
And I find
Just one thing makes me forget

Red, red wine
Stay close to me
Don`t let me be alone
It`s tearin` apart
My blue, blue heart

She thinks I still care - Del Shannon

Just because I asked a friend about
her, just because I spoke her name
somewhere

Just because I called her number by
mistake today, she thinks I still
care.

Just because I haunt the same old
places where the memory of her
lingers
everywhere, just because I'm not the
happy guy I used to be,

She thinks I still care.

Oh If she's happy thinking I still
need her, then let that silly notion
bring
her cheer, Oh how could she ever be
so foolish, how could she get such an
Idea.

Just because I asked a friend about
her just because I spoke her name
somewhere

Just because I saw her then went all
to pieces, she thinks I still care.

She thinks I still care.

Sitting waiting wishing - Jack Johnson

Now I was sitting waiting wishing
That you believed in superstitions
Then maybe you'd see the signs
But Lord knows that this world is
cruel

And I ain't the Lord, no I'm just a
fool

Learning loving somebody don't make
them love you

Must I always be waiting waiting on
you?

Must I always be playing playing your
fool?

I sing ya songs I dance a dance
I gave ya friends all a chance
Putting up with them wasn't worth
never having you

And maybe you been through this
before

But its my first time

So please ignore

The next few lines cause they're
directed at you

I cant always be waiting waiting on
you

I cant always be playing playing your
fool

I keep playing your part

But its not my scene

Wont this plot not twist?

I've had enough mystery.

Keep building me up, then shooting me
down

Well im already down

Just wait a minute

Just sitting waiting

Just wait a minute

Just sitting waiting

Well if I was in your position

Id put down all my ammunition

I'd wondered why'd it taken me so
long

But Lord knows that I'm not you

And If I was I wouldn't be so cruel

Cause waiting on love ain't so easy
to do

Must I always be waiting waiting on
you?

Must I always be playing playing your
fool?

No I cant always be waiting waiting
on you

I cant always be playing playing your
fool, fool

Slip slidin' away - Paul Simon

You know the nearer your destination
The more you're slip slidin' away

I know a man

He came from my home town

He wore his passion for his woman

Like a thorny crown

He said delores

I live in fear

My love for you's so overpowering

I'm afraid that I will disappear

Slip slidin' away

Slip slidin' away

You know the nearer your destination

The more you're slip slidin' away

I know a woman

Became a wife

These are the very words she uses

To describe her life

She said a good day

Ain't got no rain

She said a bad day's when I lie in
bed

And think of things that might have
been

Slip slidin' away

Slip slidin' away

You know the nearer your destination

The more you're slip slidin' away

And I know a fa-ther

Who had a son

He longed to tell him all the reasons

For the things he'd done

He came a long way

Just to explain

He kissed his boy as he lay sleeping

Then he turned around and headed home
again

Slip slidin' away, Slip slidin' away

You know the nearer your destination

The more you're slip slidin' away

God only knows

God makes his plan

The information's unavailable

To the mortal man

We work our jobs

Collect our pay

Believe we're gliding down the
highway

When in fact we're slip slidin' away

Slip slidin' away

Slip slidin' away

You know the nearer your destination

The more you're slip slidin' away

Slip slidin' away

You know the nearer your destination

The more you're slip slidin' away

Mmm...

Small World - Roddy Frame

Laser guns are set to stun, sabres
interlace
And try to numb the one who shuns the
world for inner space
And nothing comes between the sadness
and the screen
Exploding rooms of pain dematerialise
again

And go-go bars fill with showbiz
stars on Fridays set aflame
With crashing cars, sunburst guitars,
amphetamine and fame
And crawling from the smash, aliens
all slain,
A beam of light then a flash
Lifts you up to where you know that
you can choose to never
have to feel that way again

Chorus

Rushing through the stars, captivated
by the worlds beyond
So far, unknown
Floating in a car, past the gates of
mustdestroy.com
You aren't alone
It's a small world and you've grown

I don't want to wait
I want the world to turn
And the clocks to whirl and race
'Til my girl is returned

Rushed into my arms at the speed of
light
Delivered safe from harm
Knowing that she'll never have to
feel that the night is hers alone

Chorus

Rushing through the stars, captivated
by the worlds beyond
So far, unknown
Floating in a car, past the gates of
mustdestroy.com
You aren't alone
It's a small world and you've grown

Tears on my Pillow - Johnny Nash

I can't take it I'm so lonely gee I
need you so,
oh I wonder why did I have to let you
go,
so baby (baby), every night I wake up
crying
tears on my pillow, pain in my heart
and you on my mind,

oh I remember all the good times that
we had before,
and every night my very soul my heart
cries out for more,
so baby (baby), all my love for you
is dying,
there's tears on my pillow, pain in
my heart, and you on my mind.

Repeat verse 1 again. at end do as
follows.

there's tears on my pillow pain in my
heart and you on my mind,
(slowly) there's tears on my pillow,
pain in my heart, and you on my mind.

The Answer - Del Shannon

don't ask me a mountain of questions,
when there is only one answer to it
all,

Do you love me really love me as I
love you?
it's the answer to everything if you
do.

Don't give me a million excuses,
for I am waiting with my arms open
wide,

Do you love me really love me as I
love you?
it's the answer to everything if you
do.

If there is someone else, in some
other place,
who holds your heart, tell me dear
truthfully before we part,

don't act like you misunderstand me,
for there is simply no mystery to it
all,

Do you love me really love me as I
love you?
it's the answer to everything if you
do.

The kids are alright - The Who

I don't mind other guys dancing with
my girl
That's fine, I know them all pretty
well

But I know sometimes I must get out
in the light

Better leave her behind with the
kids, they're alright

The kids are alright

Sometimes, I feel I gotta get away
Bells chime, I know I gotta get away
And I know if I don't, I'll go out of
my mind

Better leave her behind with the
kids, they're alright

The kids are alright

I know if I go things would be a lot
better for her

I had things planned, but her folks
wouldn't let her

I don't mind other guys dancing with
my girl

That's fine, I know them all pretty
well

But I know sometimes I must get out
in the light

Better leave her behind with the
kids, they're alright

The kids are alright

Sometimes, I feel I gotta get away
Bells chime, I know I gotta get away
And I know if I don't, I'll go out of
my mind

Better leave her behind with the
kids, they're alright

The kids are alright

The Mighty Quinn - Manfred Man

Come all without, come all within
You'll not see nothing like the
Mighty Quinn
Come all without, come all within
You'll not see nothing like the
Mighty Quinn

Everybody's building ships and boats
Some are building monuments, others
are jotting down notes
Everybody's in despair, every girl
and boy
But when Quinn the Eskimo gets here
Everybody's gonna jump for joy

Come all without, come all within
You'll not see nothing like the
Mighty Quinn

I like to go just like the rest, I
like my sugar sweet
But jumping queues and makin' haste,
just ain't my cup of meat
Everyone's beneath the trees, feedin'
pigeons on a limb
But when Quinn the Eskimo gets here
All the pigeons gonna run to him

Come all without, come all within
You'll not see nothing like the
Mighty Quinn
Come all without, come all within
You'll not see nothing like the
Mighty Quinn

Let me do what I wanna do, I can't
decide 'em all
Just tell me where to put 'em and
I'll tell you who to call
Nobody can get no sleep, there's
someone on everyone's toes
But when Quinn the Eskimo gets here
Everybody's gonna wanna doze

Come all without, come all within
You'll not see nothing like the
Mighty Quinn
Come all without, come all within
You'll not see nothing like the
Mighty Quinn
Come all without, come all within
You'll not see nothing like the
Mighty Quinn
Come all without, come all within
You'll not see nothing like the
Mighty Quinn

To Love Somebody - the Bee Gees

There's a light
A certain kind of light
That never shone on me
I want my life to be lived with you
Lived with you
There's a way everybody say
To do each and every little thing
But what does it bring
If I ain't got you, ain't got ?
You don't know what its like, baby
You don't know what its like
To love somebody
To love somebody
To love somebody
The way I love you
In my brain
I see your face again
I know my frame of mind
You aint got to be so blind
And Im blind, so very blind
Im a man, cant you see
What I am
I live and breathe for you
But what good does it do
If I aint got you, aint got ?

Tracks of my Tears - Smokey Robinson

People say I'm the life of the party
'cause I tell a joke or two,
although I may be laughin' loud and
hearty, deep inside I'm blue,

So take a Good look at my face, you
see my smile looks out of place,
If you look closer it's easy to
trace, the tracks of my tears.
I need you, I need you.

Since you left me if you see me with
another girl lookin' like I'm havin'
fun,
although she may be cute she's just a
substitute because your the perminent
one,

So take a Good look at my face, you
see my smile looks out of place,
If you look closer it's easy to
trace, the tracks of my tears.

Outside I'm masquarading, inside my
heart is breaking, I'm just a clown,
since
you put me down, my smile is my make
up I wear since my breakup with you,
baby

take a Good look at my face, you see
my smile looks out of place,
If you look closer it's easy to
trace, the tracks of my tears.

True Colors - Cyndi Lauper

You with the sad eyes
Don't be discouraged
Oh I realize
It's hard to take courage
In a world full of people
You can lose sight of it all
And the darkness inside you
Can make you feel so small

But I see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful,
Like a rainbow

Show me a smile then,
Don't be unhappy, can't remember
When I last saw you laughing
If this world makes you crazy
And you've taken all you can bear
You call me up
Because you know I'll be there

And I'll see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful,
Like a rainbow

Up the Junction - Squeeze

I never thought it would happen
With me and the girl from clapham
Out on a windy common
That night I aint forgotten
When she dealt out the rations
With some or other passions
I said you are a lady
Perhaps she said I may be
We moved into a basement
With thoughts of our engagement
We stayed in by the telly
Although the room was smelly
We spent our time just kissing
The railway arms were missing
But love had got us hooked up
And all our time it took up

I got a job with stanley
He said Id come in handy
And started me on monday
So I had a bath on sunday
I worked eleven hours
And bought the girl some flowers
She said shed seen a doctor
And nothing now could stop her

I worked all through the winter
The weather brass and bitter
I put away a tenner
Each week to make her better
And when the time was ready
We had to sell the telly
Late evenings by the fire
With little kicks inside her

This morning at 4:50
I took her rather nifty
Down to an incubator
Where thirty minutes later
She gave birth to a daughter
Within a year a walker
She looked just like her mother
If there could be another

And now shes two years older
Her mothers with a soldier
She left me when my drinking
Became a proper stinging
The devil came and took me
From bar to street to bookie
No more nights by the telly
No more nights nappies smelling

Alone here in the kitchen
I feel theres something missing
Id beg for some forgiveness
But beggings not my business
And she wont write a letter
Although I always tell her
And so its my assumption
Im really up the junction

Vincent - Don Mclean

Starry starry night
paint your palette blue and grey
look out on a summer's day
with eyes that know the
darkness in my soul.
Shadows on the hills
sketch the trees and the daffodils
catch the breeze and the winter
chills
in colors on the snowy linen land.
And now I understand what you tried
to say to me
how you suffered for your sanity
how you tried to set them free.
They would not listen
they did not know how
perhaps they'll listen now.

Starry starry night
flaming flo'rs that brightly blaze
swirling clouds in violet haze
reflect in
Vincent's eyes of China blue.
Colors changing hue
morning fields of amber grain
weathered faces lined in pain
are soothed beneath the artist's
loving hand.

And now I understand what you tried
to say to me
how you suffered for your sanity
how you tried to set them free.
perhaps they'll listen now.

For they could not love you
but still your love was true
and when no hope was left in sight on
that starry starry night.
You took your life
as lovers often do;
But I could have told you Vincent
this world was never meant for one
as beautiful as you.

Starry starry night
portraits hung in empty halls
frameless heads on nameless walls
with eyes that watch the world and
can't forget.
Like the stranger that you've met
the ragged men in ragged clothes
the silver thorn of bloody rose
lie crushed and broken
on the virgin snow.
And now I think I know what you tried
to say to me how you suffered for
your sanity how you tried to set them
free.
They would not listen
they're not
list'ning still
perhaps they never will.

Wake Me Up When September Ends - Greenday

Summer has come and passed The
innocent can never last
wake me up when september ends
like my fathers come to pass seven
years has gone so fast
wake me up when september ends

here comes the rain again falling
from the stars
drenched in my pain again becoming
who we are
as my memory rests but never forgets
what I lost
wake me up when september ends

summer has come and passed the
innocent can never last
wake me up when september ends

ring out the bells again like we did
when spring began
wake me up when september ends

here comes the rain again falling
from the stars
drenched in my pain againbecoming who
we are

as my memory rests but never forgets
what I lost
wake me up when september ends

Summer has come and passed The
innocent can never last
wake me up when september ends

like my father's come to pass twenty
years has gone so fast
wake me up when september ends wake
me up when september ends
wake me up when september ends

Walk Away Renee - The Four Tops

And when I see the sign that points
one way
The lot we used to pass by every day

Just walk away Renee
You won't see me follow you back home
The empty sidewalks on my block are
not the same
You're not to blame

From deep inside the tears that I'm
forced to cry
From deep inside the pain that I
chose to hide

Just walk away Renee
You won't see me follow you back home
Now as the rain beats down upon my
weary eyes
For me it cries

Just walk away Renee
You won't see me follow you back home
Now as the rain beats down upon my
weary eyes
For me it cries

Your name and mine inside a heart
upon a wall
Still finds a way to haunt me, though
they're so small

Just walk away Renee
You won't see me follow you back home
The empty sidewalks on my block are
not the same
You're not to blame

Wherever I Lay my Hat - Paul Young

By the look in your eye, I can tell
you're going to cry,
is it over me? if it is save your
tears, for I'm not worth it you'll
see,
for I'm the type of by who is always
on the roam,
Where ever I lay my hat, that's my
home,

You had a romance, did you break it
by chance, over me,
if so i'd like for you to know that
I'm not worth it you'll see,
for I'm the type of guy who is always
on the roam,

Where ever I lay my hat, that's my
home,
You keep telling me, you keep telling
me I'm your man,
Oh but what do I have to do, to make
you understand,

Oh I'm the type of guy, who'll give a
girl the eye, everybody knows,
I'll love them and I'll leave them,
break there hearts and deceive them,

everywhere I go, but don't you know
that I'm the type of guy, who is
always

on the roam, where ever I lay my hat,
thats my home, where ever I lay my
hat

that's my home.

Whiskey in the jar - Thin Lizzy

As I was goin' over the Cork and
Kerry mountains.
I saw Captain Farrell and his money
he was countin'.
I first produced my pistol and then
produced my rapier.
I said stand o'er and deliver or the
devil he may take ya.

Musha ring dum a do dum a da.
Whack for my daddy-o,
Whack for my daddy-o.
There's whiskey in the jar-o.

I took all of his money and it was a
pretty penny.
I took all of his money and I brought
it home to Molly.
She swore that she'd love me, never
would she leave me.
But the devil take that woman for you
know she tricked me easy.

Musha ring dum a do dum a da.
Whack for my daddy-o,
Whack for my daddy-o.
There's whiskey in the jar-o.

Being drunk and weary I went to
Molly's chamber.
Takin' my money with me and I never
knew the danger.
For about six or maybe seven in
walked Captain Farrell.
I jumped up, fired off my pistols and
I shot him with both barrels.

Musha ring dum a do dum a da.
Whack for my daddy-o,
Whack for my daddy-o.
There's whiskey in the jar-o.

Now some men like the fishin' and
some men like the fowlin',
And some men like ta hear a cannon
ball a roarin'.
Me? I like sleepin' specially in my
Molly's chamber.
But here I am in prison, here I am
with a ball and chain, yeah.

Musha ring dum a do dum a da.
Whack for my daddy-o,
Whack for my daddy-o.
There's whiskey in the jar-o.

And I got drunk on whiskey-o
And I love, I love, I love, I love, I
love, I love my Molly-o.

Without You - Harry Nilson

No I can't forget this evening or you
face as you were leaving,

But I guess that's just the way the
story goes, you always smile

But in your eyes your sorrow shows,
yes it shows,

G#m

No I can't forget tomorrow when I
think of all my sorrow,

How I had you there but then I let
you go, and now it's only
fair that I should let you know what
you should know,

Chorus.

I can't live if living is without
you, I can't live,
I just can't live any more, I can't
live if living is without you,

I can't give, I just can't give any
more.

Repeat verse 2 and chorus.

Wonderful World - Sam Cooke

Don't know much about history, don't
know much about biology,
don't know much about science books,
don't know much about the French I
took,
but I do know that I love you, and I
know that if you love me to,
what a wonderful world this could be.

Don't know much about Geography,
don't know much Trigonometry,

don't know much about Algebra, don't
know what a slide rule is for,

but I do know one and one is two, and
if this one could be with you,

what a wonderful world this could be.

Now I don't claim to be an ace
student, but I'm trying to be,

and maybe by being an ace student
baby, I could win your love for me.

Verse one again

what a wonderful world this could be,

(slow) what a wonderful world this
could be.

Words - The Bee Gees

Smile, an ever lasting smile, a smile
can bring you near to me,
Dont't ever let me find you gone,
'cause that would bring a tear to me,
This world has lost it's glory, let's
start a brand new story now my love,
Right now, there'll be no other time,
and I can show you how my love.
Talk in everlasting words, and
dedicate them all to me,
and I will give you all my life, I'm
here if you should fall to me,

You think that I don't even mean a
single word I say,

It's only words and words are all I
have to take your heart away,

You think, that I don't even mean a
single word I say,

It's only words, and words are all I
have to take your heart away,

It's only words and words are all I
have to take your heart away.

Yellow - Coldplay

Look at the stars,
Look how they shine for you,
And everything you do,
Yeah they were all yellow,

I came along
I wrote a song for you
And all the things you do
And it was called yellow

So then I took my turn
Oh all the things I've done
And it was all yellow

Your skin
Oh yeah your skin and bones
Turn into something beautiful
D'you know you know I love you so
You know I love you so

I swam across
I jumped across for you
Oh all the things you do
Cause you were all yellow

I drew a line
I drew a line for you
Oh what a thing to do
And it was all yellow

Your skin
Oh yeah your skin and bones
Turn into something beautiful
D'you know for you i bleed myself dry
For you i bleed myself dry

Its true look how they shine for you
look how they shine for you
look how they shine for you
look how they shine for you
look how they shine
look at the stars look how they shine
for you

You Win Again - Hank Williams

The news is out, all over town, that
you've been seen, out runnin' round,
I know that I should leave but then,
I just can't go you win again.
This heart of mine, could never see,
what everybody knew, but me,
Just trustin' you was my great sin,
what can I do, you win again.
I'm sorry for your victim now, for
soon his head like mine will bow,
He'll give his heart, but all in
vain, and someday say you win again.
You have no heart, you have no shame,
you take true love, and give the
blame,
I guess that I should not complain, I
love you still you win again.

I love you still, you win again.

You've got a friend - James Taylor

When you're down and troubled
And you need a helping hand
And nothing, whoa nothing is going
right.
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest
nights.

You just call out my name,
And you know where ever I am
Ill come running, oh yeah baby
To see you again.
Winter, spring, summer, or fall,
All you have to do is call
And Ill be there, yeah, yeah, yeah.
Youve got a friend.

If the sky above you
Should turn dark and full of clouds
And that old north wind should begin
to blow
Keep your head together and call my
name out loud
And soon I will be knocking upon your
door.
You just call out my name and you
know where ever I am
Ill come running to see you again.
Winter, spring, summer or fall
All you got to do is call
And Ill be there, yeah, yeah, yeah.

Hey, aint it good to know that youve
got a friend?
People can be so cold.
Theyll hurt you and desert you.
Well theyll take your soul if you let
them.
Oh yeah, but dont you let them.

You just call out my name and you
know wherever I am
Ill come running to see you again.
Oh babe, dont you know that,
Winter spring summer or fall,
Hey now, all youve got to do is call.
Lord, Ill be there, yes I will.
Youve got a friend.
Youve got a friend.
Aint it good to know youve got a
friend.
Aint it good to know youve got a
friend.
Youve got a friend.

You've Got To Hide Your Love Away - Beatles

Here I stand head in hand
Turn my face to the wall
If she's gone I can't go on
Feelin' two-foot small

Everywhere people stare
Each and every day
I can see them laugh at me
And I hear them say

Hey you've got to hide your love away
Hey you've got to hide your love away

How could I even try
I can never win
Hearing them, seeing them
In the state I'm in

How could she say to me
Love will find a way
Gather round all you clowns
Let me hear you say

Young Girl - Garry Pucket and the Union Gap

Young girl, get out of my mind, my
love for you is away out of line,
better run girl, your much to young
girl,

With all the charms of a woman,
you kept a secret of your youth,
you led me to believe you were old
enough to give me love,
and now it hurts to know the truth,
oh oh oh

Young girl, get out of my mind, my
love for you is away out of line,
better run girl, your much to young
girl,

Beneath your high heels and makup,
you just a baby in disguise,
and though you know that it's wrong
to be alone with me,
that come on look is in your eyes, oh
oh oh

Young girl, get out of my mind, my
love for you is away out of line,
better run girl, your much to young
girl,

So hurry home to your mama,
I'm sure she wonders where you are,
get out of here before I have the
time to change my mind,
cause I'm afraid we'll go too far, oh
oh oh

Young girl, get out of my mind, my
love for you is away out of line,
better run girl, your much to young
girl,

Young girl get out of my mind, my
love for you is away out of line,
you better run girl, you're much to
young girl

You've Lost that Loving Feeling - Righteous Brothers

You never close your eyes any more
when I kiss your lips,
and there's no tenderness like before
in your fingertips,
You're trying hard not to show it,
but baby, baby you know it,

you've lost that loving feeling, oh
oh that loving feeling,
You've lost that loving feeling now
it's gone gone gone oh oh oh

Now there's no welcome in you eyes
when I reach for you,
and you're starting to criticise
little things I do,
it makes me just feel like dying,
'cause baby, something beautiful's
dying,

you've lost that loving feeling, oh
oh that loving feeling,
You've lost that loving feeling now
it's gone gone gone oh oh oh

Baby baby I'll get down on my knees
for you,
If you would only love me like you
used to do,
we had a love a love a love you don't
find every day,
so baby, baby, baby don't let it slip
away, oh no,

Bring back that loving feeling, oh
that loving feeling,
bring back that loving feeling now
it's gone gone gone,
and I can't go on oh oh oh.

I Second That Emotion Lyrics - Smokey Robinson

Maybe you want to give me kisses sweet
But only for one night with no repeat
Maybe you'd go away and never call
And a taste of honey is worse than none at all
(oh little girl)

Chorus:

Oh little girl, in that case I don't want no part
That would only break my heart
Oh, but if you feel like loving me
If you got the notion
I second that emotion
Said, if you feel like giving me
A lifetime of devotion
I second that emotion

Intro Chords

Maybe you think that love would tie you
down
You ain't got the time to hang around
Maybe you think that love was made for fools
So it makes you wise to break the rules

Raindrops Keep Falling on My Head

Raindrops keep fallin' on my head
And just like the guy whose feet are too big
for his bed
Nothin' seems to fit
Those raindrops are fallin' on my head, they
keep fallin'

So I just did me some talkin' to the sun
And I said I didn't like the way he got things
done
Sleepin' on the job
Those raindrops are fallin' on my head, they
keep fallin'

But there's one thing I know
The blues they send to meet me won't defeat
me
It won't be long till happiness steps up to greet
me

Raindrops keep fallin' on my head
But that doesn't mean my eyes will soon be
turnin' red
Cryin's not for me
'Cause I'm never gonna stop the rain by
complainin'
Because I'm free
Nothin's worryin' me

[trumpet]

It won't be long till happiness steps up to greet
me

Raindrops keep fallin' on my head
But that doesn't mean my eyes will soon be
turnin' red
Cryin's not for me
'Cause I'm never gonna stop the rain by
complainin'
Because I'm free
Nothin's worryin' me

You Send Me Lyrics - Sam Cooke

Darling you send me
I know you send me
Darling you send me
Honest you do, honest you do
Honest you do, whoa-oh-oh-oh-oh-oh

You thrill me
I know you, you, you thrill me
Darling you, you, you, you thrill me
Honest you do

At first I thought it was infatuation
But woo, it's lasted so long
Now I find myself wanting
To marry you and take you home
Whoa-oh-oh-oh-oh-oh

You, you, you, you send me
I know you send me
I know you send me
Honest you do

Whoa-oh-oh, whenever I'm with you
I know, I know, I know when I'm near you
Mmm hmm, mmm hmm, honest you do,
honest you do
Whoa-oh-oh, I know-oh-oh-oh

I know, I know, I know, when you hold me
Whoa-oh-oh-oh-oh, whenever you kiss me
Mmm hmm, mmm hmm, honest you do

At first I thought it was infatuation
But woo, it's lasted so long
Now I find myself wanting
To marry you and take you home

I know, I know, I know, you send me
I know you send me
Whoa-oh-oh-oh, you you you you send me
Honest you do

Running Bear - Johnny Burnett

On the bank of the river
Stood Runnin' Bear, young Indian brave
On the other side of the river
Stood his lovely Indian maid
Little White Dove was-a her name
Such a lovely sight to see
But their tribes fought with each other
So their love could never be

Runnin' Bear loved Little White Dove
With a love big as the sky
Runnin' Bear loved Little White Dove
With a love that couldn't die

He couldn't swim the raging river
'cause the river was too wide
He couldn't reach Little White Dove
Waiting on the other side
In the moonlight he could see her
Throwing kisses 'cross the waves
Her little heart was beating faster
Waiting there for her brave

Runnin' Bear loved Little White Dove
With a love big as the sky
Runnin' Bear loved Little White Dove
With a love that couldn't die

Runnin' Bear dove in the water
Little White Dove did the same
And they swam out to each other
Through the swirling stream they came
As their hands touched and their lips met
The ragin' river pulled them down
Now they'll always be together
In that happy hunting ground

Runnin' Bear loved Little White Dove
With a love big as the sky
Runnin' Bear loved Little White Dove
With a love that couldn't die

Bring it on home to me - Sam Cooke

If you ever change your mind
About leavin', leavin' me behind
Oh, oh, bring it to me
Bring your sweet lovin'
Bring it on home to me, oh yeah

You know I laughed (ha ha) when you left
But now I know I've only hurt myself
Oh, oh, bring it to me
Bring your sweet lovin'
Bring it on home to me, yeah (yeah) yeah
(yeah) yeah (yeah)

I'll give you jewellery, money too
And that's not all, all I'll do for you
Oh, oh, bring it to me
Bring your sweet lovin'
Bring it on home to me, yeah (yeah) yeah
(yeah) yeah (yeah)
Yeah

----- guitar and piano in unison -----

You know I'll always be your slave
Till I'm dead and buried in my grave
Oh, oh, bring it to me
Bring your sweet lovin'
Bring it on home to me, yeah (yeah) yeah

About leavin', leavin' me behind

Bring your sweet lovin'
Bring it on home to me, yeah (yeah) yeah
(yeah) yeah (yeah)
Yeah (yeah) yeah (yeah)

Drift Away - Dobie Gray

Day after day I'm more confused
So I look for the light in the pouring rain
You know that's a game that I hate to lose
I'm feelin' the strain, ain't it a shame

Oh, give me the beat, boys, and free my soul
I wanna get lost in your rock and roll and drift
away
Oh, give me the beat, boys, and free my soul
I wanna get lost in your rock and roll and drift
away

Beginning to think that I'm wastin' time
I don't understand the things I do
The world outside looks so unkind
I'm countin' on you to carry me through

And when my mind is free
You know a melody can move me
And when I'm feelin' blue
The guitar's comin' through to soothe me
Thanks for the joy that you've given me
I want you to know I believe in your song
Rhythm and rhyme and harmony
You help me along makin' me strong

You Don't Know Me - Ray Charles

You give your hand to me
Then you say hello
I can hardly speak
My heart is beating so
And anyone can tell
You think you know me well
But you don't know me

No, you don't know the one
Who dreams of you at night
And longs to kiss your lips
And longs to hold you tight
Oh I'm just a friend
That's all I've ever been
'Cause you don't know me

I never knew
The art of making love
Though my heart aches
With love for you
Afraid and shy
I've let my chance to go by
The chance that you might
Love me, too

You give your hand to me
And then you say good-bye
I watch you walk away
Beside the lucky guy
You'll never never know
The one who loves you so
Well, you don't know me

You give your hand to me, baby
Then you say good-bye
I watch you walk away
Beside the lucky guy
No, no, you'll never ever know
The one who loves you so
Well, you don't know me

Half way to paradise - Billy Fury

I want to be your lover
But your friend is all I've stayed
I'm only halfway to paradise
So near, yet so far away

I long for your lips to kiss my lips
But just when I think they may
You lead me halfway to paradise
So near, yet so far away, mmm

Bein' close to you is almost heaven (heaven)
But seein' you can do just so much
It hurts me so to know your heart's a treasure
(treasure)
And that my heart is forbidden to touch, so

Put your sweet lips close to my lips
And tell me that's where they're gonna stay
Don't lead me halfway to paradise
Mmm, so near, yet so far away

Oh, uh, oh so near, yet so far away
Yeah, yeah so near, yet so far away

Jock o' Hazeldean - Sir Walter Scott

This romantic ballad was one of many written by the famous Scottish author, Sir Walter Scott, 1771-1832 who spent much of his time in his home, Abbotsford, in the Scottish Borders. He was very interested in preserving the local traditional songs and stories and he wrote this song for his daughter, basing it on an old border legend. It tells the story of a young girl being promised riches and titles if she marries a nobleman's son, Frank, Chief of Errington and Lord of Langley Dale. However, she is crying because she is in love with someone else who does not have a title. The last verse is exciting and joyful as she runs away with her lover, Jock o' Hazeldean leaving the rich bridegroom standing at the altar.

"Why weep ye by the tide, ladye?
Why weep ye by the tide?
I'll wed ye tae my younger son,
And ye shall be his bride;
And ye shall be his bride ladye,
Sae comely tae be seen."
But aye she loot the tears doon fa'
For Jock o' Hazeldean.

"Now let this wilfu' grief be done,
And dry that cheek so pale:
Young Frank is chief of Errington,
And Lord of Langley dale;
His step is first in peacefu' ha',
His sword in battle keen."
But aye she loot the tears doon fa'
For Jock o' Hazeldean.

"A chain of gold thou shalt not lack,
Nor kaim to bind your hair,
Nor mettled hound, nor managed hawk,
Nor palfrey, fresh and fair;
And ye, the foremost o' them a'
Shall ride, our forest queen"
But aye she loot the tears doon fa'
For Jock o' Hazeldean.

The kirk was decked at mornin' tide
The tapers glimmered fair,
The priest and bridegroom wait the bride,
And dame and knight were there;
They sought her baith by bower and ha',
The lady was na' seen.
Fur she's owre the border and awa'
Wi' Jock o' Hazeldean.

The way you love me is everything - Arthur Wilson

The way you talk and the things that you say,
I steal the words and lock them away,
and save them for a rainy day.

The way you cuddle up safe and warm,
The way you hold me so sure and strong,
and let me know that I belong.

But the way you love me is everything,
when you hold me I want nothing,
And the way you love me is everything I'll
every need in this big world

The way your hair falls over your eyes,
The way your smile lights up the skies,
The way that our love survives.

And as you sleep in the deep dark night,
I feel you breathe and I hold you tight,
sometimes I watch you till the mornings light.

But the way you love me is everything,
when you hold me I want nothing,
And the way you love me is everything I'll
every need in this big world

Deep in the night baby's cry,
A mother's smile smothers the lie,
and I thank god that I'm alive.

And the way you love me is everything,
when you hold me I want nothing,
And the way you love me is everything I'll
every need in this big world
the way you want me is everything,
when you touch me I need nothing,
the way you love me is everything I'll every
need in this big world

Aye Waukin O - Robert Burns

Aye waukin O
Waukin aye and weary
Sleep I can get nane
For thinkin o' my dearie

Summer's a pleasant time
flowers o' every colour
The water runs o'er the heugh
And I long for my true lover

Aye waukin O
Waukin aye and weary
Sleep I can get nane
For thinkin o' my dearie

When I sleep I dream
When I wake I'm eerie
Sleep I can get nane
For thinkin o' my dearie

Aye waukin O
Waukin aye and weary
Sleep I can get nane
For thinkin o' my dearie

Lanely night comes on
A' the lave are sleepin'
I think on my bonnie lass
And I bleer my e'en wi' greetin'

Aye waukin O

How men are - Roddy Frame

It's called love
And every cruelty will cloud it
And his lie
True love could never allow it
'Cos it's a lie that we have ceased to believe
We've said goodbye but it won't take its leave
Why should it take the tears of a woman
To see how men are
Perspective
It's no mystery
What you don't know always gets you
It will hurt you and desert you
So you'd better see
That it's a damage ever done by degrees
And some will take eternity to believe
Why should it take the tears of a woman
To see how men are
'Cos love is a giving with no need of return
It lends itself to everything
And maybe one day man will see
That love is a lesson money never taught us to
learn
Love is the power to act
Without the premise that there's nothing for
free
And sometimes when we're just getting by
and getting along
It's like we're scared to see that something is
wrong
Why should it take the tears of a woman
To see how men are

Pure Vodka Tears - Arthur Wilson

Laughing when she feels like crying,
Singing though she feels like dying,
Wash the dishes clear the sink as the radio
plays,

The favourite songs for long lost lovers,
Secrets stashed away,
Pass the time thinking of all her yesterdays,

And when she cries it rains in heaven as days
disappear,
Pours herself another drink
of pure vodka tears

Billy boys and tartan specials singing songs of
love and hate,
Uniforms and party songs she missed the
chance she had to take,
He used to sing her favourite song "Put your
sweet lips closer to the phone",
If only she'd answered, if only he'd known

And when she cries it rains in heaven as days
disappear,
Pours herself another drink
Of pure vodka tears

Now this place called home is badly broken,
memories smashed and trust kicked in,
Little lies are softly spoken, half-truths sound
promising,
So one more drink before the bell rings,
One more chance to make amends,
One more song for the good times,
She looks into his eyes and pretends

And when she cries it rains in heaven as days
disappear,
Pours herself another drink
Of pure vodka tears

Save The Last Dance For Me - Micheal Buble

You can dance-every dance with the guy
Who gives you the eye,let him hold you tight
You can smile-every smile for the man
Who held your hand neath the pale moon
light
But don't forget who's takin' you home
And in whose arms you're gonna be
So darlin' save the last dance for me

Oh I know that the music's fine
Like sparklin' wine,go and have your fun
Laugh and sing,but while we're apart
Don't give your heart to anyone
But don't forget who's takin' you home
And in whose arms you're gonna be
So darlin' save the last dance for me

Baby don't you know I love you so
Can't you feel it when we touch
I will never never let you go
I love you oh so much

You can dance,go and carry on
Till the night is gone
And it's time to go
If he asks if you're all alone
Can he walk you home,you must tell him no
'Cause don't forget who's taking you home
And in whose arms you're gonna be
So darling,save the last dance for me

'Cause don't forget who's taking you home
And in whose arms you're gonna be
So darling,save the last dance for me
Save the last dance for me
Save the last dance for me.

Under the Boardwalk - The Drifters

Oh when the sun beats down and burns the tar
up on the roof.

And your shoes get so hot, you wish your
tired feet were fire-proof.

Under the Boardwalk, down by the sea
On a blanket with my baby, is where I'll be.

(Under the Boardwalk)

Out of the sun.

(Under the Boardwalk)

Man, we'll be having some fun.

(Under the Boardwalk)

People walkin' above.

(Under the Boardwalk)

We'll be falling in love under the Boardwalk,

Boardwalk.

From the palms you hear the happy sounds of
the carousel,

and you can almost taste the hot-dogs and
french fries they sell.

Under the Boardwalk, down by the sea
on a blanket with my baby, is where I'll be.

(Under the Boardwalk)

Out of the sun.

(Under the Boardwalk)

Man, we'll be having some fun.

(Under the Boardwalk)

People walkin' above.

(Under the Boardwalk)

We'll be falling in love under the Boardwalk,

Boardwalk.

Under the Boardwalk, down by the sea
On a blanket with my baby, is where I'll be.

Under the Boardwalk, down by the sea
On a blanket with my baby, is where I'll be.

Pretty Flamingo - Manfred Mann

On our block all of the guys call her flamingo
'Cause her hair glows like the sun

And her eyes can light the sky

When she walks she moves so fine like a
flamingo

Crimson dress that clings so tight

She's out of reach and out of sight

When she walks by she brightens up the
neighbourhood

Oh every guy would make her his if he just
could

If she just would

Some sweet day I'll make her mine pretty
flamingo

Then every guy will envy me

'Cause paradise is where I'll be

If paradise is) Half as Nice - Amen Corner

If paradise is half as nice as heaven that you
take me to

Who needs paradise I'd rather have you.
They say paradise is up in the stars
But I needn't sigh because it's so far
'Cos I know it's worth a heaven on earth
For me where you are.

A look from your eyes, a touch of your hand
And I seem to fly to some other land
When you are around my heart always pounds
Just like a brass band.

If paradise is half as nice as heaven that you
take me to
Who needs paradise I'd rather have you
Oh yes I'd rather have you.

If paradise is half as nice as heaven that you
take me to
Who needs paradise I'd rather have you
Oh yes I'd rather have you.

They say paradise is up in the stars
But I needn't sigh because it's so far
'Cos I know it's worth a heaven on earth
To me where you are.

A look from your eyes a touch of your hand
And I seem to fly to some other land

Oh no, not my baby - Manfred Mann

"Oh no, not my baby; oh no, not my sweet
baby

Oh no, not my baby; oh no, not my sweet
baby

Not my girl"

When my friends told me you had someone
new

I didn't believe a single word was true

I told them all I had faith in you

I just kept on sayin':

"Oh no, not my baby; oh no, not my sweet
baby

She don't go with other guys

& I don't think she would tell me lies"

My mama told me when rumors spread

There's truth somewhere & I should use my
head

But I didn't listen to a word she said

I kept right on sayin':

"Oh no, not my baby; oh no, not my sweet
baby

She's not like these other girls, you see

& I believe she's in love with me

Oh no no no no no, not my girl"

Well, you might have had a last-minute fling

But I am sure it didn't mean a thing

'Cause yesterday you accepted my ring

& now I'm glad that I just kept on sayin':

"Oh no, not my baby; oh no, not my sweet
baby

Oh no, not my baby; oh no, not my sweet

baby

Not my girl, not my girl

Arthur's Sing along songs

Sit Down - James

I'll sing myself to sleep A song from the
darkest hour
Secrets I can't keep Inside of the day
Swing from high to deep Extremes of sweet
and sour
Hope that God exists I hope I pray

Drawn by the undertow My life is out of
control
I believe this wave will bear my weight
So let it flow

Oh sit down Oh sit down Oh sit down
Sit down next to me
Sit down, sit down, sit down, sit down, down
In sympathy

Now I'm relieved to hear
That you've been to some far out places
It's hard to carry on
When you feel all alone
Now I've swung back down again
It's worse than it was before
If I hadn't seen such riches
I could live with being poor

Oh sit down Oh sit down Oh sit down
Sit down next to me
Sit down, sit down, sit down, sit down, down
In sympathy

Those who feel the breath of sadness
Sit down next to me
Those who find they're touched by madness
Sit down next to me
Those who find themselves ridiculous
Sit down next to me
In love, in fear, in hate, in tears
In love, in fear, in hate, in tears
In love, in fear, in hate, in tears
In love, in fear, in hate
Down Down

Oh sit down Oh sit down Oh sit down
Sit down next to me
Sit down, sit down, sit down, sit down, down
In sympathy
Oh sit down Oh sit down Oh sit down
Sit down next to me
Sit down, sit down, sit down, sit down, down
In sympathy

Starman- David Bowie

Didn't know what time it was the lights were low
oh how
I leaned back on my radio oh oh
Some cat was layin' down some rock 'n' roll 'lotta
soul, he said
Then the loud sound did seem to fade a ade
Came back like a slow voice on a wave of phase
ha hase
That weren't no D.J. that was hazy cosmic jive

There's a starman waiting in the sky
He'd like to come and meet us
But he thinks he'd blow our minds
There's a starman waiting in the sky
He's told us not to blow it
Cause he knows it's all worthwhile
He told me:
Let the children lose it
Let the children use it
Let all the children boogie

I had to phone someone so I picked on you ho ho
Hey, that's far out so you heard him too! o o
Switch on the TV we may pick him up on channel
two
Look out your window I can see his light a ight
If we can sparkle he may land tonight a ight
Don't tell your poppa or he'll get us locked up in
fright

There's a starman waiting in the sky
He'd like to come and meet us
But he thinks he'd blow our minds
There's a starman waiting in the sky
He's told us not to blow it
Cause he knows it's all worthwhile
He told me:
Let the children lose it
Let the children use it
Let all the children boogie

Starman waiting in the sky
He'd like to come and meet us
But he thinks he'd blow our minds
There's a starman waiting in the sky
He's told us not to blow it
Cause he knows it's all worthwhile
He told me:
Let the children lose it
Let the children use it
Let all the children boogie

La, la, la, la, la, la, la, la

Arthur's Sing along songs

American Pie - Don Mclean

long, long time ago... I can still remember
How that music used to make me smile.
And I knew if I had my chance
That I could make those people dance
And, maybe, they'd be happy for a while.
But february made me shiver
With every paper I'd deliver.
Bad news on the doorstep;
I couldn't take one more step.
I can't remember if I cried
When I read about his widowed bride,
But something touched me deep inside
The day the music died.

So bye-bye, miss american pie.
Drove my chevy to the levee,
But the levee was dry.
And them good old boys were drinkin' whiskey and rye
Singin', "this'll be the day that I die."
"this'll be the day that I die."

Did you write the book of love,
And do you have faith in God above,
If the Bible tells you so?
Do you believe in rock 'n roll,
Can music save your mortal soul,
And can you teach me how to dance real slow?
Well, I know that you're in love with him
'cause I saw you dancin' in the gym.
You both kicked off your shoes.
Man, I dig those rhythm and blues.
I was a lonely teenage broncin' buck
With a pink carnation and a pickup truck,
But I knew I was out of luck
The day the music died.

I started singin',
"bye-bye, miss american pie."
Drove my chevy to the levee,
But the levee was dry.
Them good old boys were drinkin' whiskey and rye
And singin', "this'll be the day that I die."
"this'll be the day that I die."

Now for ten years we've been on our own
And moss grows fat on a rollin' stone,
But that's not how it used to be.
When the jester sang for the king and queen,
In a coat he borrowed from james dean
And a voice that came from you and me,
Oh, and while the king was looking down,
The jester stole his thorny crown.
The courtroom was adjourned;
No verdict was returned.
And while lennon read a book of marx,
The quartet practiced in the park,
And we sang dirges in the dark
The day the music died.

We were singing,
"bye-bye, miss american pie."
Drove my chevy to the levee,
But the levee was dry.
Them good old boys were drinkin' whiskey and rye
And singin', "this'll be the day that I die."
"this'll be the day that I die."

Helter skelter in a summer swelter.
The birds flew off with a fallout shelter,
Eight miles high and falling fast.

It landed foul on the grass.
The players tried for a forward pass,
With the jester on the sidelines in a cast.
Now the half-time air was sweet perfume
While the sergeants played a marching tune.
We all got up to dance,
Oh, but we never got the chance!
'cause the players tried to take the field;
The marching band refused to yield.
Do you recall what was revealed
The day the music died?

We started singing,
"bye-bye, miss american pie."
Drove my chevy to the levee,
But the levee was dry.
Them good old boys were drinkin' whiskey and rye
And singin', "this'll be the day that I die."
"this'll be the day that I die."

Oh, and there we were all in one place,
A generation lost in space
With no time left to start again.
So come on: jack be nimble, jack be quick!
Jack flash sat on a candlestick
Cause fire is the devil's only friend.
Oh, and as I watched him on the stage
My hands were clenched in fists of rage.
No angel born in hell
Could break that satan's spell.
And as the flames climbed high into the night
To light the sacrificial rite,
I saw satan laughing with delight
The day the music died

He was singing,
"bye-bye, miss american pie."
Drove my chevy to the levee,
But the levee was dry.
Them good old boys were drinkin' whiskey and rye
And singin', "this'll be the day that I die."
"this'll be the day that I die."

I met a girl who sang the blues
And I asked her for some happy news,
But she just smiled and turned away.
I went down to the sacred store
Where I'd heard the music years before,
But the man there said the music wouldn't play.
And in the streets: the children screamed,
The lovers cried, and the poets dreamed.
But not a word was spoken;
The church bells all were broken.
And the three men I admire most:
The father, son, and the holy ghost,
They caught the last train for the coast
The day the music died.

And they were singing,
"bye-bye, miss american pie."
Drove my chevy to the levee, But the levee was dry.
And them good old boys were drinkin' whiskey and rye
Singin', "this'll be the day that I die."
"this'll be the day that I die."

They were singing,
"bye-bye, miss american pie."
Drove my chevy to the levee,
But the levee was dry.
Them good old boys were drinkin' whiskey and rye
Singin', "this'll be the day that I die."

Arthur's Sing along songs

Caledonia -Dougie Mclean

I dont know if you can see, the changes that
have come over me
In these last few days, ive been afraid that i
might drift away
And ive been tellin old stories, singing songs
That made me think about where i came from
Thats the reason why i seem so far away
today.

CHORUS

Oh but let me tell you that i love you
And i think about you all the time
Caledonia your callin me and im goin home
But if i should become a stranger
You know that it would make me more than
sad
Caledonia your everythin ive ever had.

Well ive been moved, and ive kept on movin
Proved the points that i needed proovin
Lost the friends i needed loosin
Found others on the way
And i have kissed the ladies and left them
cryin
Stolen dreams theres no denying
Travelled hard with contience flyin
Somewhere with the wind

REPEAT CHORUS

Now im sitting here, beside the fire
The empty room the forest choir
Flames that couldnt get any higher
Theyve withered now there gone
But im steady thinking my way is clear,
And i know what i must do tomorrow
When the hands ive shaken and the flown i
will dissapear.

REPEAT CHORUS

Come Tomorrow - Manfred Mann

If the song of the songbird
Could replace my wrong word
Then my dear, that's the song I would borrow

CHORUS:

& tonight you would hear
The saddest song of the year
& you'd be mine once again come tomorrow

If the song of the swallow
Could reveal my sorrow
Then my dear, he would sing just for you

(chorus)

Just tonight, while in flight, on your
windowsill daylight
To tell you all of my tears

(chorus)

(repeat verse 2)
(chorus twice)

Sing sing sing sing sing, Mr. Songbird
Come on & sing just once, little swallow
& make her mine once again
...& fade

You Give Me Something - James Morrison

You want to stay with me in the morning
You only hold me when I sleep,
I was meant to tread the water
Now I've gotten in too deep,
For every piece of me that wants you
Another piece backs away.

'Cause you give me something
That makes me scared, alright,
This could be nothing
But I'm willing to give it a try,
Please give me something
'Cause someday I might know my heart.

You already waited up for hours
Just to spend a little time alone with me,
And I can say I've never bought you flowers
I can't work out what the mean,
I never thought that I'd love someone,
That was someone else's dream.

'Cause you give me something
That makes me scared, alright,
This could be nothing
But I'm willing to give it a try,
Please give me something,
'Cause someday I might call you from my
heart,
But it might me a second too late,
And the words I could never say
Gonna come out anyway.

'Cause you give me something
That makes me scared, alright,
This could be nothing
But I'm willing to give it a try,
Please give me something,
'Cause you give me something
That makes me scared, alright,
This could be nothing
But I'm willing to give it a try,
Please give me something
'Cause someday I might know my heart.
Know my heart, know my heart, know my
heart

Fairytale of New York - The Pogues

It was Christmas Eve, babe, in the drunk tank
An old man said, "Son, I won't see another one"
And then he sang a song, a rare old mountain tune
I turned my eyes away, and I thought about you

I got on a lucky one, came in at 18/1
I've got a feeling this year's for me and you
So Happy Christmas, I love you baby
There's going to be good times When all our
dreams come true.

They've got cars big as bars They've got rivers of
gold
But the wind blows right through you It's no place
for the old

When I first took your hand on a cold Christmas
Eve
I told you that Broadway was waiting for me.

You were handsome and pretty, queen of New
York city
When the band finished playing, the crowd
howled for more
Sinatra was swinging, and the crowd they were
singing
We kissed on the corner and danced round the
floor.

And the boys from the New York police choir
were singin' Galway Bay
And the bells were ringin' out on Christmas Day

I could have been someone and so could anyone
I took my dreams from you when I first met you
I kept them with me, babe, and put them with my
own
I can't make it all alone I've built my dreams
around you.

You're a bum you're a punk you're an aul hoor on
junk
Lyin' there on the drip nearly dead in the bed
You scumbag you maggot you cheap lousy faggot
Happy Christmas me arse, I would rather be
dead...

I love you baby, I've got a feeling this year's
for me and you
So Happy Christmas, I love you baby
There's going to be good times When all our
dreams come true.

Merry Christmas Everybody - Slade

Are you hanging up your stocking on your wall?

It's the time that every Santa has a ball

Does he ride a red nosed reindeer?

Does a ton up on his sleigh

Do the fairies keep him sober for a day?

So here it is merry Christmas, Everybody's having fun

Look to the future now, It's only just begun

Are you waiting for the family to arrive?

Are you sure you got the room to spare inside?

Does your granny always tell ya' that the old songs are the best?

Then she's up and rock 'n' rollin' with the rest

So here it is merry Christmas, Everybody's having fun

Look to the future now, It's only just begun

What will your daddy do

When he sees your Mama kissin' Santa Claus?

Ah ah

alt - What will your daddy do

When he sees your Mama givin' Santa Claus a hug

Are you hanging up a stocking on your wall?

Are you hoping that the snow will start to fall?

Do you ride on down the hillside in a buggy you have made?

When you land upon your head then you've been slayed

So here it is merry Christmas, Everybody's having fun

Look to the future now, It's only just begun

So here it is merry Christmas, Everybody's having fun

Look to the future now, It's only just begun

So here it is merry Christmas, Everybody's having fun

Look to the future now, It's only just begun

Whistle For The Choir - The Fratellis

Well it's a big big city and it's always the same

Can never be too pretty tell me you your name

Is it out of line if I was to be bold to say "Would you be mine"?

Because I may be a beggar and you maybe the queen

I know I maybe on a downer I'm still ready to dream

Though it's 3 o'clock the time is just the time it takes for you to talk

So if you're lonely why'd you say your not lonely

Oh your a silly girl, I know I hurt it so

It's just like you to come and go

you know me no you don't even know me

Your so sweet to try, oh my, you caught my eye

A girl like you's just irresistible

Well it's a big big city and the lights are all out

But it's much as I can do you know to figure you out

And I must confess, my hearts in broken pieces and my heads a mess

And it's 4 in the morning, and I'm walking along

Beside the ghost of every drinker here who has ever done wrong

And it's you, woo hoo, that's got me going crazy for the things you do

So if your crazy I don't care you amaze me

But your a stupid girl, oh me, oh my, you talk, I die

you smile, you laugh, I cry

And only, a girl like you could be lonely

And it's a crying shame, if you would think the same

A boy like me's just irresistible

So if your lonely, why'd you say you're not lonely

Oh your a silly girl, I know I hurt it so

It's just like you to come and go

And know me, no you don't even know me

Your so sweet to try oh my, you caught my eye , A girl like you's just irresistible

Arthur's Sing along songs

These Streets - Paolo Nutini

Cross the border,
Into the big bad world
Where it takes you 'bout an hour
Just to cross the road
Just to stumble across another poor old soul
from
The dreary old lanes to the high-street
madness
Eye fight with my brain to believe my eyes
And it's harder than you think
To believe this sadness
That creeps up my spine
And haunts me through the night
And life is good and the girls are gorgeous
Suddenly the air smells much greener now
And I'm wondering 'round
With a half pack of cigarettes
Searching for the change that I've lost
somehow

Chorus

These streets have too many names for me
I'm used to Glenfield road and spending my
time down in quay
I'll get used to this eventually
I know, I know

Where'd the days go? When all we did was
play
And the stress that we were under wasn't
stress at all
Just a run and a jump into a harmless fall
from
Walking by a high-rise to a landmark square
You see millions of people with millions of
cares
And I struggle to the train to make my way
home
I look at the people as they sit there alone

Life is good, and the sun is shining
Everybody flirts to their ideal place
And the children all smile as a boat shuffled
by them
Trying to pretend that they've got some space

Chorus x 2

Time of Your Life (Good Riddance) - Green Day

Another turning point
a fork stuck in the road
Time grabs you by the wrist
directs you where to go

So make the best of this test
and don't ask why
It's not a question
but a lesson learned in time

It's something unpredictable
but in the end is right
I hope you had the time of your life

So take the photographs
and still frames in your mind
Hang it on a shelf
of good help and good time

Tattoos of memories
and dead skin on trail
For what it's worth
it was worth all the while

It's something unpredictable
but in the end is right
I hope you had the time of your life

Arthur's Sing along songs

Dreamlover - Bobby Darin

Every night I hope and pray
A Dream Lover will come my way,
A girl to hold in my arms
And know the magic of her charms
Because I want - a girl - to call - my own,

(Chorus)

I want a Dream Lover so I don't have to
dream alone

Dream Lover, where are you
With a love, oh so true,
And a hand that I can hold
To feel you near when I grow old
Because I want - a girl - to call - my own,

(Chorus)

I want a Dream Lover so I don't have to
dream alone

(Bridge)

Someday, I don't know how,
I hope you'll hear my plea
Someway, I don't know how,
She'll bring her love to me

Dream Lover, until then
I'll go to sleep and dream again.
That's the only thing to do
Until my lover's dream comes true
Because I want - a girl - to call- my own,

(Chorus)

(Bridge)

Dream Lover, until then
I'll go to sleep and dream again.
That's the only thing to do
Until my lover's dream comes true
Because I want - a girl - to call- my own,

(Chorus)

I want a Dream Lover so I don't have to
dream alone

I want a Dream Lover so I don't have to
dream alone

I want a Dream Lover so I don't have to
dream alone

Please don't let me dream alone

She moves in her own way - Kooks

So at my show on Monday
I was hopin'that someday
You'd be on your way to better things
It's not about your make-up
Or how you try to shape up
To these tiresome paper dreams
Paper dreams honey

So now you pour your heart out
You're telling me you're far out
You're all about to lie down for your cause
But you don't pull my strings
Cause I'm a better man
Moving on to better things

But uh oh, I love her because
She moves in her own way
But uh oh, she came to my show
Just to hear about my day

And at the show on Tuesday
She was in her mindset
Tempered firs and spangled boots
Looks are deceiving
Making me believe it
And these tiresome paper dreams
Paper dreams honey, yeah

So won't you go far
Tell me you're a keeper
You're all about to lie down for your cause
But you don't pull my strings because
Cause I'm a better man
Moving on to better things

Chorus

Yes our wish's that we never made it
Through all the summers
We kept them up instead of
Kicking us back down to the suburbs
Yes our wish's that we never made it
Through all the summers
We kept them up instead of
Kicking us back down to the suburbs

Chorus X 2

I'll only keep her a while

Behind blue eyes – The Who

No one knows what it's like to be the bad man
To be the sad man behind blue eyes
No one knows what it's like
To be hated, to be fated to telling only lies

But my dreams, they aren't as empty
As my conscience seems to be
I have hours, only lonely
My love is vengeance that's never free

No one knows what it's like
To feel these feelings like I do and I blame
you!
No one bites back as hard on their anger
None of my pain and woe can show through
But my dreams, they aren't as empty
As my conscience seems to be
I have hours only lonely
My love is vengeance, that's never free

When my fist clenches, crack it open
Before I use it and lose my cool
When I smile, tell me some bad news
Before I laugh and act like a fool

And If I swallow anything evil
Put your finger down my throat
And If I shiver, please give me a blanket
Keep me warm, let me wear your coat

No one knows what it's like to be the bad man
To be the sad man behind blue eyes

Arthur's Sing along songs

The First cut is the deepest – Cat Stevens

I would have given you all of my heart
But theres someone whos torn it apart
And shes taking almost all that Ive got
But if you want, Ill try to love again
Baby Ill try to love again but I know

The first cut is the deepest, baby I know
The first cut is the deepest
cause when it comes to being lucky shes
cursed

When it comes to lovin me shes worse
But when it comes to being loved shes first
Thats how I know

The first cut is the deepest, baby I know The
first cut is the deepest

I still want you by my side
Just to help me dry the tears that Ive cried
Cause Im sure gonna give you a try
And if you want, Ill try to love again
But baby, Ill try to love again, but I know

The first cut is the deepest, baby I know
The first cut is the deepest
cause when it comes to being lucky shes
cursed
When it comes to lovin me shes worse
But when it comes to being loved shes first
Thats how I know

The first cut is the deepest, baby I know
The first cut is the deepest

I'm Yours – Jasom Maraz

Well you done done me and you bet I felt it
I tried to be chill but you're so hot that I
melted, I fell right through the cracks
Now I'm trying to get back
Before the cool done run out I'll be giving it
my bestest And nothing's going to stop me but
divine intervention

I reckon it's again my turn to win some or
learn some

I won't hesitate no more, no more

It cannot wait, I'm yours

Well open up your mind and see like me

Open up your plans and damn you're free

Look into your heart and you'll find love love
love love

Listen to the music of the moment babay sing
with me

I love peace for melody

And It's our God-forsaken right to be loved

love loved love loved

So I won't hesitate no more, no more

It cannot wait I'm sure

There's no need to complicate

Our time is short

This is our fate, I'm yours

Scooch on over closer dear And i will nibble
your ear

I've been spending way too long checking my
tongue in the mirror

And bending over backwards just to try to see
it clearer

But my breath fogged up the glass

And so I drew a new face and laughed

I guess what I'm be saying is there ain't no
better reason

To rid yourself of vanity and just go with the
seasons

It's what we aim to do Our name is our virtue

But I won't hesitate no more, no more

It cannot wait I'm sure

Well open up your mind and see like me

Open up your plans and damn you're free

Look into your heart and you'll find that the
sky is yours

Please don't, please don't, please don't

There's no need to complicate

Cause our time is short

This oh this this is out fate, I'm yours!

Tho' hundreds worship at his word He's but a
coof for a' that,
For a' that and a' that His riband, star and a'

The man o' independent mind He looks and

A prince can mak a belted knight A marquis,

But an honest mands aboon his might Guid

For a' that and a' that Their dignities and a'

The pith o' sense and pride o' worth Are

Then let us pray that come it may As come it

That man to man the world o'er Shall brothers

Only you - Yazoo

Looking from a window above it's like a story
of love
Can you hear me
Came back only yesterday I'm moving farther
away
Want you near me

Chorus
All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you

Sometimes when I think of her name, when
it's only a game
And I need you
Listen to the words that you say it's getting
harder to stay
When I see you

Chorus x 2

This is going to take a long time and I wonder
what's mine
Can't take no more
Wonder if you'll understand it's just the touch
of your hand
Behind a closed door

Chorus

Arthur's Sing along songs

Here comes my baby

In the midnight moonlight i'll, be walkin a long and lonely mile.
And every time I do, I keep seein this picture of you.

Here comes my baby, here she comes now,
And it can come as no surprise to me, with another guy.

Here comes my baby, here she comes now,
Walking with a love, with a love that's all so fine,
Never could be mine, no matter how I try.

You never walk alone, and you're forever talkin on the phone.
I've tried to call you names, but every time it comes out the same.

Here comes my baby, here she comes now,
And it can come as no surprise to me, with another guy.
Here comes my baby, here she comes now,
Walking with a love, with a love that's all so fine,
Never could be mine, no matter how I try.

I'm still waitin for your heart, cause I'm sure that some day it's gonna start.
You'll be mine to hold each day, but 'till then, this is all that I can say.

Here comes my baby, here she comes now,
And it can come as no surprise to me, with another guy.
Here comes my baby, here she comes now,
Walking with a love, with a love that's all so fine,
Never could be mine, no matter how I try.

My old friend the blues

My old friend the blues

Just when every ray of hope was gone
I should have known that you would come along

I can't believe I ever doubted you

My old friend the blues

Another lonely night, a nameless town

If sleep don't take me first, you'll come around

'Cause I know I can always count on you

My old friend the blues

Lovers leave and friends will let you down
But you're the only sure thing that I've found

No matter what I do I'll never lose

My old friend the blues

Just let me hide my weary heart in you

My old friend the blues

People get ready – The Impressions

People get ready, there's a train a comin'
You don't need no baggage, you just get on
board

All you need is faith to hear the diesels
hummin'
Don't need no ticket, you just thank the Lord

People get ready for the train to Jordan
It's picking up passengers from coast to coast
Faith is the key, open the doors and board 'em
There's hope for all among those loved the
most.

There ain't no room for the hopeless sinner
Who would hurt all mankind just to save his
own
Have pity on those whose chances grow
thinner
For there's no hiding place against the
Kingdom's throne

So people get ready, there's a train a comin'
You don't need no baggage, you just get on
board
All you need is faith to hear the diesels
hummin'
Don't need no ticket, you just thank the Lord

Wild World

alalalalala...

Now that I've lost everything to you
You say you wanna start something new
And it's breakin' my heart you're leavin'
Baby, I'm grievin'
But if you wanna leave, take good care
Hope you have a lot of nice things to wear
But then a lot of nice things turn bad out there

CHORUS:

Oh, baby, baby, it's a wild world
It's hard to get by just upon a smile
Oh, baby, baby, it's a wild world
and I'll always remember you like a child, girl

You know I've seen a lot of what the world
can do
And it's breakin' my heart in two
Because I never wanna see you sad, girl
Don't be a bad girl
But if you wanna leave, take good care
Hope you make a lot of nice friends out there
But just remember there's a lot of bad and
beware

CHORUS

Lalalalala....

Baby, I love you
But if you wanna leave, take good care
Hope you make a lot of nice friends out there
But just remember there's a lot of bad and
beware

His Latest Flame - Elvis

A very old friend came by today
'Cause he was telling everyone in town
About the love that he just found
And Marie's the name of his latest flame

Though I smiled the tears inside were a-
burning
I wished him luck and then he said goodbye
He was gone but still his words kept returning
What else was there for me to do but cry

He talked and talked and I heard him say
That she had the longest blackest hair
The prettiest green eyes anywhere
And Marie's the name of his latest flame

Would you believe that yesterday
This girl was in my arms and swore to me
She'd be mine eternally
And Marie's the name of his latest flame

Up on the roof – The Drifters

When this old world starts getting me down
And people are just too much for me to face
I climb way up to the top of the stairs
And all my cares just drift right into space
On the roof, it's peaceful as can be
And there the world below can't bother me
Let me tell you now

When I come home feelin' tired and beat
I go up where the air is fresh and sweet (up on
the roof)
I get away from the hustling crowd
And all that rat-race noise down in the street
(up on the roof)
On the roof, the only place I know
Where you just have to wish to make it so
Let's go up on the roof (up on the roof)

brief instrumental-chiefly strings

At night the stars put on a show for free
And, darling, you can share it all with me

I keep a-tellin' you

Right smack dab in the middle of town
I've found a paradise that's trouble proof (up
on the roof)
And if this world starts getting you down
There's room enough for two
Up on the roof (up on the roof)
Up on the roo-oo-oof (up on the roof)
Oh, come on, baby (up on the roof)
Oh, come on, honey (up on the roof)
Everything is all right (up on the roof)

Blue Bayou – Roy Orbison

I feel so bad I've got a worried mind
I'm so lonesome all the time
Since I left my baby behind on blue bayou

Saving nickels, saving dimes, working 'till
the sun don't shine
Looking forward to happier times on blue
bayou
I'm going back some day come what may to
blue bayou
Where you sleep all day and the catfish play
on blue bayou

All those fishing boats with their sails afloat
if I could only see
That familiar sunrise through sleepy eyes,
how happy I'd be

Go to see my baby again
And to be with some of my friends
Maybe I'd be happy then on blue bayou

I'm going back some day, gonna stay on blue
bayou
Where the folks are fine and the world is mine
on blue bayou
Oh, that girl of mine by my side the silver
moon
and the evening tide
Oh, some sweet day gonna take away this
hurtin inside
I'll never be blue, my dreams come true on
blue bayou

I Shall be released

They say ev'rything can be replaced,
Yet ev'ry distance is not near.
So I remember ev'ry face
Of ev'ry man who put me here.
I see my light come shining
From the west unto the east.
Any day now, any day now,
I shall be released.

They say ev'ry man needs protection,
They say ev'ry man must fall.
Yet I swear I see my reflection
Some place so high above this wall.
I see my light come shining
From the west unto the east.
Any day now, any day now,
I shall be released.

Standing next to me in this lonely crowd,
Is a man who swears he's not to blame.
All day long I hear him shout so loud,
Crying out that he was framed.
I see my light come shining
From the west unto the east.
Any day now, any day now,
I shall be released.

Twisting the night away – Sam Cooke

Let me tell you 'bout a place
Somewhere up-a New York way
Where the people are so gay
Twistin' the night away-ay
Here they have a lot of fun
Puttin' trouble on the run
Man, you find the old and young
Twistin' the night away
They're twistin', twistin', everybody's feelin'
great
They're twistin', twistin', they're twistin' the
night away
Here's a man in evenin' clothes
How he got here, I don't know, but
Man, you oughta see him go
Twistin' the night away-ay
He's dancin' with the chick in slacks
She's a-movin' up and back
Oh man, there ain't nothin' like
Twistin' the night away
They're twistin', twistin', everybody's feelin'
great
They're twistin', twistin', they're twistin' the
night away
Let's twist a while!
Lean up, lean back
Lean up, lean back
Watusi, now fly, now twist
They're twistin' the night away
Here's a fella in bluejeans
Dancin' with a older Queen
Who's dolled up in-a diamond rings and
Twistin' the night away-ay
Man, you oughta see her go
Twistin' to **the rock** and roll
Here you find the young and old
Twistin' the night away
They're twistin', twistin', man, everybody's
feelin' great
They're twistin', twistin', they're twistin' the
night away
One more time!
Lean up, lean back
Lean up, lean back
Watusi, now fly, now twist
They're twistin' the night away

The Boxer – Paul Simon

I am just a poor boy
Though my story's seldom told
I have squandered my resistance
For a pocket full of mumbles such are
promises
All lies and jests
Still a man hears what he wants to hear
And disregards the rest

When I left my home and my family
I was no more than a boy
In the company of strangers
In the quiet of the railway station running
scared
Laying low, seeking out the poorer quarters
Where the ragged people go
Looking for the places only they would know

Lie la lie ...

Asking only workman's wages
I come looking for a job
But I get no offers,
Just a come-on from the whores on Seventh
Avenue
I do declare, there were times when I was so
lonesome
I took some comfort there

Lie la lie ...

Then I'm laying out my winter clothes
And wishing I was gone
Going home
Where the New York City winters aren't
bleeding me
Bleeding me, going home

In the clearing stands a boxer
And a fighter by his trade
And he carries the reminders
Of ev'ry glove that layed him down
Or cut him till he cried out
In his anger and his shame
"I am leaving, I am leaving"
But the fighter still remains

Lie la lie ...

Arthur's Sing along songs

The Air That I Breathe

If I could make a wish
I think, I pass
Can't think of anything I need
No cigarettes, no sleep,
No lights, no sound
Nothing to eat, no books to read
Making love with you
Has left me peaceful, warm and tired
What more can I ask
There's nothing left to be desired
Peace came upon me
And it leaves me weak
Sleep, silent angel, go to sleep
Sometimes all I need is the air that I breathe
And to love you
All I need is the air that I breathe
Yes, to love you
All I need is the air that I breathe,
Ahh, ahh
Peace came upon me
And it leaves me weak
Sleep, silent angel, go to sleep
Sometimes all I need is the air that I breathe
And to love you
All I need is the air that I breathe
Yes, to love you
All I need is the air that I breathe,
Ahh, ahh
Peace came upon me
And it leaves me weak
Sleep, silent angel, go to sleep

New Shoes – Paulo Nutini

Woke up cold one tuesday,
I'm looking tired and feeling quite sick,
I felt like there was something missing in my
day to day **life**,
So I quickly opened the wardrobe,
Pulled out some **jeans** and a T-Shirt that
seemed clean,
Topped it off with a pair of old shoes,
That were ripped around the seams,
And I thought these shoes just don't suit me.
CHORUS:
Hey, I put some new shoes on,
And suddenly everything is right,
I said, hey, I put some new shoes on and
everybody's smiling,
It so inviting,
Oh, short on money,
But long on time,
Slowly strolling in the sweet sunshine,
And I'm running late,
And I dont need an excuse,
'cause I'm wearing my brand new shoes.
Woke up late one thursday,
And I'm seeing stars as I'm rubbing my eyes,
And I felt like there were two days missing,
As I focused all the time,
And I made my way to the kitchen,
But I had to stop from the shock of what I
found,
A room full of all my **friends** dancing round
and round,
And I thought hello new shoes,
Bye bye them blues.
CHORUS
Take me wondering through these streets,
Where bright lights and angels meet,
Stone to stone they take me on,
I'm walking to the break of dawn. (x2)
CHORUS (x2)
Take me wondering through these streets

Hey Jude – The Beatles

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better

Hey Jude, don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it better

And anytime you feel the pain, hey Jude,
refrain
Don't carry the world upon your shoulders
For well you know that it's a fool who plays it
cool
By making his world a little colder
Na na na, na na, na na na na

Hey Jude, don't let me down
You have found her, now go and get her
Remember to let her into your heart
Then you can start to make it better

So let it out and let it in, hey Jude, begin
You're waiting for someone to perform with
And don't you know that it's just you? Hey
Jude, you'll do
The movement you need is on your shoulder
Na na na, na na, na na na na, yeah

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her under your skin
Then you begin to make it better
Better, better, better, better, better, oh!

Na na na, na-na na na
Na-na na na, hey Jude
Na na na, na-na na na
Na-na na na, hey Jude

Na na na, na-na na na
Na-na na na, hey Jude
Na na na, na-na na na
Na-na na na, hey Jude

Na na na, na-na na na
Na-na na na, hey Jude
Na na na, na-na na na
Na-na na na, hey Jude

Kelly – Del Shannon

kelly and I meet secretly
we stay out of sight
when we're in each other's arms
we know it isn't right

we are so in love
but he **loves you**, too
how can I tell my best **friend**
that I'm in love with you?

he's told me of your sweet caress
and of your lovely eyes
just how long can we go on
telling him all these lies?

we are so in **love**
but he loves you, too
how can I tell my best friend
that I'm in love with you?

oh kelly
please please tell me
we've got to find a way
tell me what can we say
oh kelly

he's coming home tomorrow
he's been gone so long
we could get away tonight
to run would be so wrong

we are so in love
but he **loves you**, too
how can I tell my **best friend**
that I'm in love with you?

oh kelly

we've got to find a way
tell me what can we say

Only Sixteen – Sam Cooke

She was only sixteen, only sixteen
But I loved her so
She was too young to fall in love
And I was too young to know

We'd laugh and we'd sing
and do funny things
And it made our hearts glow
But she was too young to fall in love
And I was too young to know

So why did I give my heart so fast
it never will happen again
But I was a mere child of sixteen
I've aged a year since then

She was only sixteen, only sixteen
oh with eyes that would glow
But she was too young to fall in love
and I was too young to know

(So why did I give my heart so fast)
But, it never will happen again
(But I were a mere child of sixteen)
Oh, I've aged a year since then

She was only sixteen, only sixteen
Oh but I loved that girl so
But she was too young to fall in love
And I was too young to know
She was too young to fall in love
And I, I was too young, I was much too
young know

A what went wrong whit our love
A love that was so strong

And as I still walk on
I think of the thing's we've done

Tears are fallin' and I feel a pain
A wishin' you were here by me

And I wonder, I wa wa wa wa wonder

And I wonder where she will stay

The Letter – The Box Tops

Gimme a ticket for an aeroplane,
Ain't got time to take a fast train.
Lonely days are gone, I'm a-goin' home,
'Cause my baby just a-wrote me a letter.

I don't care how much money I gotta spend,
Got to get back to my baby again
Lonely days are gone, I'm a-goin' home,
'Cause my baby just a-wrote me a letter.

Well, she wrote me a letter
Said she couldn't live without me no mo'.
Listen mister can't you see I got to get back
To my baby once a-mo'--anyway...

Gimme a ticket for an aeroplane,
Ain't got time to take a fast train.
Lonely days are gone, I'm a-goin' home,
'Cause my baby just a-wrote me a letter.

Well, she wrote me a letter
Said she couldn't live without me no mo'.
Listen mister can't you see I got to get back
To my baby once a-mo'--anyway...

Gimme a ticket for an aeroplane,
Ain't got time to take a fast train.
Lonely days are gone, I'm a-goin' home,
'Cause my baby just a-wrote me a letter.
Because my baby just a-wrote me a letter.

Hi Hi Silver Lining – Jeff beck

You're everywhere and nowhere, baby,

That's where you're at

Going down the bumpy hillside in your hippie hat

Flying across the country and getting fat

Saying everything is groovy

When your tires are flat

And it's hi-ho silver lining

Anywhere you go now, baby

I see your sun is shining but I will make a fuss

Though it's obvious

Flies are in your pea soup, baby

They're waving at me

Anything you want is yours now,

Only nothing's for free

Life's a-gonna get you someday,

Just wait and see

So put up your beach umbrella

While you're watching TV

And it's hi-ho silver lining

Anywhere you go, well, baby

I see your sun is shining but I will make a fuss

Though it's obvious

Saturday night at the movies – The Drifters

Well Saturday night at 8 o'clock
I know where I'm gonna go
I'm gonna pick my baby up
And take her to the picture show

Everybody in the neighbourhood
Is dressing up to be there too
And we're gonna have a ball
Just like we always do

Chorus:

Saturday night at the movies
Who cares what picture you see
When you're hugging with your baby in last
row in the balcony

Well there's technicolor and cinemascope
A cast out of Hollywood
And the popcorn from the candy stand
Makes it all seem twice as good

There's always lots of pretty girls
With figures they don't try to hide
But they never can compare
To the girl sittin' by my side

Suspicious Minds - Elvis Presley

We're caught in a trap
I can't walk out
Because I love you too much baby
Why can't you see
What you're doing to me
When you don't believe a word I say?
We can't go on together
With suspicious minds
And we can't build our dreams
On suspicious minds
So, if an old friend I know
Drops by to say hello
Would I still see suspicion in your eyes?
Here we go again
Asking where I've been
You can't see these tears are real
I'm crying
We can't go on together
With suspicious minds
And we can't build our dreams
On suspicious minds
Oh let our love survive
Or dry the tears from your eyes
Let's don't let a good thing die
When honey, you know
I've never lied to you
Mmm yeah, yeah

Three steps to heaven – Eddie Cochran

Now there are Three Steps To Heaven
Just listen and you will plainly see
And as life travels on
And things do go wrong
Just follow steps one, two and three

Step one - you find a girl to love
Step two - she falls in love with you
Step three - you kiss and hold her tightly
Yeah! that sure seems like heaven to me

The formula for Heaven's very simple
Just follow the rules and you will see
And as life travels on
And things do go wrong
Just follow steps one,two and three

Step one - you find a girl to love
Step two - she falls in love with you
Step three- you kiss and hold her tightly
Yeah! that sure seems like heaven to me
Just follow steps one,two and three

Ticket to ride – The Beatles

I think I'm gonna be sad,
I think it's today, yeah.
The girl that's driving me mad
Is going away.

She's got a ticket to ride, She's got a ticket to
ride, She's got a ticket to ride,
But she don't care.

She said that living with me
Was bringing her down yeah.
She would never be free
When I was around.

She's got a ticket to ride, She's got a ticket to
ride,She's got a ticket to ride,
But she don't care.

I don't know why she's ridin' so high,
She ought to think twice,
She ought to do right by me.
Before she gets to saying goodbye,
She ought to think twice,
She ought to do right by me.

I think I'm gonna be sad,
I think it's today yeah.
The girl that's driving me mad
Is going away, yeah.

She's got a ticket to ride, She's got a ticket to
ride, She's got a ticket to ride,
But she don't care.

I don't know why she's ridin' so high,
She ought to think twice,
She ought to do right by me.
Before she gets to saying goodbye,
She ought to think twice,
She ought to do right by me

She heard that living with me,
Was bringing her down, yeah.
She would never be free When I was around.

Ah, she's got a ticket to ride, She's got a ticket
to ride, She's got a ticket to ride,
But she don't care.

My baby don't care, my baby don't care.
My baby don't care, my baby don't care.
My baby don't care.

Almost Persuaded – George Jones

Last night all alone in a barroom
Met a girl with a drink in her hand
She had ruby red lips and coal black hair
And eyes that would tempt any man

Then she came and sat down at my table
And as she placed her soft hands in mine
I found myself wanting to kiss her
For temptation was flowing like wine

And I was almost persuaded to strip myself of
my pride
Almost persuaded to push my conscience
aside

Then we danced and she whispered I need
you
Take me away from here and be my man
Then I looked in her eyes and I saw it
The reflection of my wedding band

And I was almost persuaded to let soft lips
lead me on
Almost persuaded but your sweet love made
me stop and go home

Blue Moon – Ella Fitzgerald

Blue moon, you saw me standin' alone
Without a dream in my heart, without a love
of my own
Blue moon, you knew just what I was there
for
You heard me sayin' a prayer for
Someone I really could care for

And then there suddenly appeared before me
The only one my arms will hold
I heard somebody whisper "please adore me"
And when I looked, the moon had turned to
gold

Blue moon, now I'm no longer alone
Without a dream in my heart
Without a love of my own

And then there suddenly appeared before me
The only one my arms will ever hold
I heard somebody whisper "please adore me"
And when I looked, the moon had turned to
gold

Blue moon, now I'm no longer alone
Without a dream in my heart
Without a love of my own

Blue moon, now I'm no longer alone
Without a dream in my heart
Without a love of my own

Don't cry out loud – Elkie Brooks

Baby cried the day the circus came to town
'cause she didn't like parades just passing by
her

So she painted on a smile and took up with
some clown

And she danced without a net upon the wire
I know a lots about her 'cause you see
Baby is an awful lot like me

Chorus:

We don't cry out loud, we keep it inside
Learn how to hide our feelings, fly high and
proud
And if you should fall remember you almost
had it all

Baby saw the day they pulled the big top
down
They left be-hind her dreams among the litter
And the dif-f'rent kind of love she thought
she'd found was nothing more than sawdust
and some glitter
But baby can't be broken 'cause you see
She had the finest teacher, that's me

Chorus:

I taught her don't cry out loud, just keep it
inside
Learn how to hide your feelings, fly high and
proud
And if you should fall remember you almost
had it
Don't cry out loud, keep it inside

Rhinestone Cowboy – Glen Campbell

I've been walkin' these streets so long
Singin' the same old song
I know every crack in these dirty sidewalks of
Broadway

Where hustle's the name of the game
And nice guys get washed away like the snow
and the rain

There's been a load of compromisin'
On the road to my horizon
But I'm gonna be where the lights are shinin'
on me

Like a rhinestone cowboy
Riding out on a horse in a star-spangled rodeo
Like a rhinestone cowboy
Getting cards and letters from people I don't
even know
And offers comin' over the phone

Well, I really don't mind the rain
And a smile can hide all the pain
But you're down when you're ridin' the train
that's takin' the long way
And I dream of the things I'll do
With a subway token and a dollar tucked
inside my shoe
There'll be a load of compromisin'
On the road to my horizon
But I'm gonna be where the lights are shinin'
on me

Like a rhinestone cowboy
Riding out on a horse in a star-spangled rodeo
Rhinestone cowboy
Gettin' cards and letters from people I don't
even know
And offers comin' over the phone

Like a rhinestone cowboy
Riding out on a horse in a star-spangled rodeo

Arthur's Sing along songs

Radancer – The Marmalade

I saw a girl on a Northern dance floor
She looked sixteen, she could have been more
I went to her thinking only of romance
But when the band played, man, I didn't stand
the chance, All she wanna do was

Dance, dance, dance, you ought to see her
dance
Dance, dance, dance, move over, give her a
chance
Well, the people all stood around
Watching her lay it down
She could dance, dance, dance the night away

I tried to show some genuine affection
Could be a chance of a close connection
I didn't know she was there for just one thing
'Cos when the band played, man, you ought to
see her swing, Swing down easy

Dance, dance, dance, you ought to see her
dance
Dance, dance, dance, move over, give her a
chance, Well, the people all stood around,
Watching her lay it down. She could dance,
dance, dance the night away

And when the dance was nearly over
I decided I was really gonna show her
I took a drink and I went to join the fun
That's when the fun had just begun
And when the band played, man, I was
second to none

Dance, dance, dance, you ought to see me
dance
Dance, dance, dance, move over, give me a
chance
Well, the people all stood around, Watching
me lay it down
'Cos I could dance, dance, dance the night
away
Dance, dance, dance the night away
Dance, dance, dance the night away

Dance, dance, Watusi baby
Dance, dance, funky mofa
Dance, dance, read your Sunday papers
Dance, dance, Desperate Dan's
Dance, dance, shake it, baby
Dance, dance, rock n roll
Dance, dance, see you later

Stop Sobbing – The Kinks

It is time for you to stop all of your sobbing
Yes it's time for you to stop all of your
sobbing

There's one thing that you gotta do
To make me still want you

Gotta stop sobbing now
Yeah, stop it, stop it
Gotta stop sobbing now

It is time for you to laugh instead of crying
Yes it's time for you to laugh so keep on
trying

There's one thing that you gotta do
To make me still want you

Gotta stop sobbing now
Yeah, stop it, stop it
Gotta stop sobbing now

Each little tear that falls from your eye
Makes, makes-a me want
To take you in my arms and tell you to stop
all your sobbing

Yes it's time for you to stop all of your
sobbing
Yes it's time for you to stop all of your
sobbing
There's one thing that you gotta do
To make me still want you

Gotta stop sobbing now
Yeah, stop it, stop it
Gotta stop sobbing now
Stop it, stop it
Gotta stop sobbing now
Sobbin' sobbin' sobbing

Someday – Ricky Nelson

I know that someday you'll want me to want you
When I'm in love with somebody new
You expect me to be true and keep on loving you
Though I am feeling blue, you think I can't forget you

Until someday, you'll want me to want you
When I'm in love with somebody new
Although you don't want me now
I'll get along somehow
And then I won't want you

I know that someday you'll want me to want you
When I'm in love with somebody new
Although you don't want me now
Oh, I'll get along somehow
And then I won't want you

Stuck in the middle – Steelers Wheel

Well I don't know why I came here tonight,
I got the feeling that something ain't right,
I'm so scared in case I fall off my chair,
And I'm wondering how I'll get down the stairs,
Clowns to the left of me,
Jokers to the right, here I am,
Stuck in the middle with you.

Yes I'm stuck in the middle with you,
And I'm wondering what it is I should do,
It's so hard to keep this smile from my face,
Losing control, yeah, I'm all over the place,
Clowns to the left of me, Jokers to the right,
Here I am, stuck in the middle with you.

Well you started out with nothing,
And you're proud that you're a self made man,
And your friends, they all come crawlin,
Slap you on the back and say,
Please.... Please.....

Trying to make some sense of it all,
But I can see that it makes no sense at all,
Is it cool to go to sleep on the floor,
'Cause I don't think that I can take anymore
Clowns to the left of me, Jokers to the right,
Here I am, stuck in the middle with you.

Well you started out with nothing,
And you're proud that you're a self made man,
And your friends, they all come crawlin,
Slap you on the back and say,
Please.... Please.....

Well I don't know why I came here tonight,
I got the feeling that something ain't right,
I'm so scared in case I fall off my chair,
And I'm wondering how I'll get down the stairs,
Clowns to the left of me,
Jokers to the right, here I am,
Stuck in the middle with you,
Yes I'm stuck in the middle with you,
Stuck in the middle with you.

Arthur's Sing along songs

This songs just for you – Hank Lochran

Of all the songs the world is singing,
of dreams that do and don't come true
I guess I've sung about a million,
but darling this one's just for you
I don't care if the world can't hear it playing
if it's never number one or two
I just want to tell how much I love you
so darling this song's just for you

What do they care about my troubles if my
whole world suddenly falls through
You'll be the one who'll stand beside me so
darling this song's just for you

Of all the songs the world is singing,
of dreams that do and don't come true
I guess I've sung about a million,
but darling this one's just for you
I don't care if the world can't hear it playing
if it's never number one or two
I just want to tell how much I love you
so darling this song's just for you

Then I Kissed her – The Beach boys

Well I walked up to her and I asked her if she
wanted to dance
She looked awful nice and so I hoped she
might take a chance

When we danced I held her tight
Then I walked her home that night
And all the stars were shining bright
And then I kissed her

Each time I saw her I couldn't wait to see her
again
I wanted to let her know that I was more than
a friend

I didn't know just what to do
And so I whispered I love you
And she said that she loved me too
And then I kissed her

I kissed her in a way that I'd never kissed a
girl before
I kissed her in a way that I hope she liked for
evermore

I knew that she was mine so I gave her all the
love that I had
Then one day she'll take me home to meet her
mom and her dad

Then I asked her to be my bride
And always be right by my side
I felt so happy that I almost cried
And then I kissed her

And then I kissed her
And then I kissed her

Arthur's Sing along songs

Teenager in love – Paddy Dickson

Each time we have a quarrel
It almost breaks my heart
'Cause I'm so afraid that we will have to part

Each night I ask the stars up above
Why must I be a teenager in love

One day I feel so happy
Next day I feel so sad
I guess I'll learn to take the good with the bad

'Cause each night I ask the stars up above
Why must I be a teenager in love

I cried a tear for nobody but you
I'll be a lonely one if you should say we're
through
Well if you want to make me cry
That won't be so hard to do
If you should say goodbye
I'd still go on loving you

Each night I ask the stars up above
Why must I be a teenager in love

I cried a tear for nobody but you
I'll be a lonely one if you should say we're
through
Well if you want to make me cry
That won't be so hard to do
And if you should say goodbye
I'd still go on loving you

Each night I ask the stars up above
Why must I be a teenager in love
Why must I be a teenager in love
Why must I be a teenager in love
Why must I be a teenager in love

Ain't That A Shame – Fats Domino

You made me cry when you said good-bye
Ain't that a shame my tears fall like rain
Ain't that a shame your the one to blame

You broke my heart now we're apart
Ain't that a shame my tears fall like rain
Ain't that a shame your the one to blame

So long good-bye although I cry
Ain't that a shame my tears fall like rain
Ain't that a shame your the one to blame

You made me cry when you said good-bye
Ain't that a shame my tears fall like rain
Ain't that a shame your the one to blame

You made me cry when you said good-bye
Ain't that a shame my tears fall like rain
Ain't that a shame your the one to blame

Blue Suede Shoes – Elvis Presley

Well, it's one for the money,
Two for the show,
Three to get ready,
Now go, cat, go.

But don't you step on my blue suede shoes.
You can do anything but lay off of my Blue
suede shoes.

Well, you can knock me down,
Step in my face,
Slander my name
All over the place.

Do anything that you want to do, but uh-uh,
Honey, lay off of my shoes
Don't you step on my Blue suede shoes.
Well you can do anything but lay off of my
blue suede shoes.

You can burn my house,
Steal my car,
Drink my liquor
From an old fruitjar.

Do anything that you want to do, but uh-uh,
Honey, lay off of my shoes
Don't you step on my blue suede shoes.
Well you can do anything but lay off of my
blue suede shoes.

Well, it's one for the money,
Two for the show,
Three to get ready,
Now go, go, go.

but dont you step on my blue suede shoes,
well you can do anything but lay off of my

Blue blue blue suede shoes

Bye Bye Love – the Everly Brothers

Bye bye, love.
Bye bye, happiness.
Hello, loneliness.
I think I'm a-gonna cry-y.

Bye bye, love.
Bye bye, sweet caress.
Hello, emptiness.
I feel like I could di-ie.
Bye bye, my love, goodbye-ye.

There goes my baby
With-a someone new.
She sure looks happy.
I sure am blue.
She was my baby
'Til he stepped in.
Goodbye to romance
That might have been.

Bye bye, love.
Bye bye, happiness.
Hello, loneliness.
I think I'm a-gonna cry-y.

Bye bye, love.
Bye bye, sweet caress.
Hello, emptiness.
I feel like I could di-ie.
Bye bye, my love, goodbye-ye.

I'm a-through with romance.
I'm a-through with love.
I'm through with-a countin'
The stars above
And here's reason
That I'm so free:
My lovin' baby
Is a-through with me.

Bye bye, love.
Bye bye, happiness.
Hello, loneliness.
I think I'm a-gonna cry-y.

Bye bye, love.
Bye bye, sweet caress.
Hello, emptiness.
I feel like I could di-ie.
Bye bye, my love, goodbye-ye.
Bye bye, my love, goodbye-ye.
Bye bye, my love, goodbye-ye.

Breaking up is hard to do – Neil Sedaka

Don't take your love away from me
Don't you leave my heart in misery
If you go then I'll be blue
'Cause breaking up his hard to do

Remember when you held me tight
And you kissed me all through the night
Think of all that we've been through
Breaking Up Is Hard To Do

They say that breaking up is hard to do
Now I know, I know that it's true
Don't say that this is the end
Instead of breaking up I wish that we were
making up again

I beg of you, don't say goodbye
Can't we give our love another try
Come on baby, let's start a new
'Cause breaking up is hard to do

All I have to do is dream – The Everly Brothers

Drea-ea-ea-ea-eam, dream, dream, dream
Drea-ea-ea-ea-eam, dream, dream, dream
When I want you in my arms
When I want you and all your charms
Whenever I want you, all I have to do is
Drea-ea-ea-ea-eam, dream, dream, dream

When I feel blue in the night
And I need you to hold me tight
Whenever I want you, all I have to do is
Drea-ea-ea-ea-eam

I can make you mine, taste your lips of wine
Anytime night or day
Only trouble is, gee whiz
I'm dreamin' my life away

I need you so that I could die
I love you so and that is why
Whenever I want you, all I have to do is
Drea-ea-ea-ea-eam, dream, dream, dream
Drea-ea-ea-ea-eam

I can make you mine, taste your lips of wine
Anytime night or day

Everyday – Buddy Holly

Everyday it's a-gettin' closer
Goin' faster than a roller coaster
Love like yours will surely come my way
A-hey, a-hey-hey
Everyday it's a-gettin' faster
Everyone said, go ahead and her
A-hey, a-hey-hey
Everyday seems a little longer
Every way love's a little stronger
Come what may
Do you ever long for, true love from me
Everyday it's a-gettin' closer
Goin' faster than a roller coaster
Love like yours will surely come my way
A-hey, a-hey-hey

Everyday seems a little longer
Every way love's a little stronger
Come what may
Do you ever long for, true love from me
Everyday it's a-gettin' closer
Goin' faster than a roller coaster
Love like yours will surely come my way
A-hey, a-hey-hey
Love like yours will surely come my way

It Doesn't Matter Anymore - Buddy Holly

There you go and baby here am I
Well you left me here so I could sit and cry
Golly gee what have you done to me
Well I guess it doesn't matter anymore

Do you remember baby last September
How you held me tight each and every night
Oh baby how you drove me crazy
But I guess it doesn't matter any more

BRIDGE:

There's no use in me a-cryin'
I've done everything and now I'm sick of
trying
I've thrown away my nights, wasted all my
days over you

Now you go your way baby and I'll go mine
Now and forever 'till the end of time
And I'll find somebody new and baby
We'll say we're through and you won't matter
any more

Arthur's Sing along songs

Let it be me – The Everly Brothers

I bless the day I found you
I want to stay around you
And so I beg you, let it be me

Don't take this heaven from one
If you must cling to someone
Now and forever, let it be me

Each time we meet love
I find complete love
Without your sweet love what would life be

So never leave me lonely
Tell me you love me only
And that you'll always let it be me

Each time we meet love
I find complete love
Without your sweet love what would life be

So never leave me lonely
Tell me you love me only
And that you'll always---let--it be---me

Memphis Tennessee – Chuck Berry

Long distance in formation, give me Memphis
Tennessee
Help me find the party trying to get in touch
with me

She could not leave her number, but I know
who placed the call
'Cause my uncle took the message and he
wrote it on the wall

Help me, information, get in touch with my
Marie
She's the only one who'd phone me here from
Memphis Tennessee
Her home is on the south side, high up on a
ridge
Just a half a mile from the Mississippi Bridge

Help me, information, more than that I cannot
add
Only that I miss her and all the fun we had
But we were pulled apart because her mom
did not agree
And tore apart our happy home in Memphis
Tennessee

Last time I saw Marie she's waving me good-
bye
With hurry home drops on her cheek that
trickled from her eye
Marie is only six years old, information
please
Try to put me through to her in Memphis
Tennessee

Oh Boy - Buddy Holly

All of my love - all of my kissin'
you don't know what you've been a-missin'
oh boy - when you're with me - oh boy
the world will see that you were meant for me

All of my life I've been a-waitin'
tonight there'll be no hesitatin'
oh boy - when you're with me - oh boy
the world will see that you were meant for me

Stars appear and shadows fallin'
you can hear my heart callin'
and a little bit of lovin' makes everything
right
I'm gonna see my baby tonight

All of my love - all of my kissin'
you don't know what you've been a-missin'
oh boy - when you're with me - oh boy
the world will see that you were meant for me

Peggy Sue – Buddy Holly

If you knew Peggy Sue
Then you'd know why I feel blue
Without Peggy my Paheggy Sue
Oh well I love you gal
Yes I love you Peggy Sue

Peggy Sue Peggy Sue
Oh how my heart yearns for you
Oh Peggy my Paheggy Sue
Oh well I love you gal
Yes I love you Peggy Sue

Peggy Sue, Peggy Sue
Pretty,pretty,pretty,pretty

Oh well I love you gal
I need you Peggy Sue

I love you Peggy Sue
With a love so rare and true

Rave on – Buddy Holly

Little things you say and do
Make me want to be with you
Rave on, this crazy feelin'
And I know it's got me reelin'
When you say I love you, rave on

The way you dance and hold me tight
The way you kiss and say goodnight
Rave on, this crazy feelin'
And I know it's got me reelin'
When you say I love you, rave on

Rave on, this crazy feelin'
And I know it's got me reelin'
I'm so glad that you're revealing
Your love for me

Rave on, rave on and tell me
Tell me not to be lonely
Tell me you love me only
Rave on to me

Rock'n'roll music – Chuck Berry

Just let me hear some of that rock'n'roll music
Any old way you choose it
It's got a backbeat, you can't lose it
Any old time you use it
It's gotta be rock - roll music
If you wanna dance with me
If you wanna dance with me

I have no kick against modern jazz
Unless they try to play it too darn fast
And change the beauty of the melody
Until it sounds just like a symphony
That's why I go for that rock'n'roll music
Any old way you choose it
It's got a backbeat, you can't lose it
Any old time you use it
It's gotta be rock - roll music
If you wanna dance with me
If you wanna dance with me

I took my loved one over 'cross the tracks
So she could her my man a - whalin' sax
I must admit they have a rockin' band
Man they were goin' like a hurricane
That's why I go for that rock'n'roll music
Any old way you choose it
It's got a backbeat, you can't lose it
Any old time you use it
It's gotta be rock - roll music

If you wanna dance with me
If you wanna dance with me

Way down South they gave a jubilee
Them country folks they had a jamboree
They're drinkin' home - brew from a wooden
cup
The folks dancin' got all shook up
And started playin' that rock'n'roll music
Any old way you choose it
It's got a backbeat, you can't lose it
Any old time you use it
It's gotta be rock - roll music
If you wanna dance with me
If you wanna dance with me

Don't care to hear 'em play the tango
I'm in no mood to dig a mambo
It's way too early for the congo
So keep a - rockin' that piano
So I can hear some of that rock'n'roll music
any old way you choose it
It's got a backbeat, you can't lose it
Any old time you use it
It's gotta be rock - roll music
If you wanna dance with me
If you wanna dance with me

Traveling Light- Cliff Richard

I got no bags and bags to slow me down
Well, I'm traveling so fast my feet ain't
touching the ground
Traveling light_Traveling light_
Well, I just can't wait to be with my baby
tonight
No comb and no tooth brush
I got nothing to haul
I'm carrying only
A pocketful of dreams a heart full of love
And they weigh nothing at all
Soon, I'm gonna see that love look in her eyes
I'm a hoot and a holler away from paradise
Traveling light
Traveling light
Well, I just can't wait to be with my baby

Wonderful World – Sam Cooke

Don't know much about history
Don't know much biology
Don't know much about a science book
Don't know much about the french I took

But I do know that I love you
And I know that if you love me too
What a wonderful world this would be

Don't know much about geography
Don't know much trigonometry
Don't know much about algebra
Don't know what a slide rule is for

But I do know that one and one is two
And if this one could be with you
What a wonderful world this would be

Now I don't claim to be an "A" student
But I'm trying to be
So maybe by being an "A" student baby
I can win your love for me

Don't know much about history
Don't know much biology
Don't know much about a science book
Don't know much about the french I took

But I do know that I love you
And I know that if you love me too
What a wonderful world this would be

La ta ta ta ta ta
(History)
Ooh ooh ooh ooh ooh ooh
(Biology)
La ta ta ta ta ta
(Science book)
Ooh ooh ooh ooh ooh ooh
(French I took)

But I do know that I love you
And I know that if you love me too
What a wonderful world this would be

Will you still love me tomorrow – Carole King

Tonight you're mine completely
You give you love so sweetly
Tonight the light of love is in your eyes
But will you love me tomorrow?

Is this a lasting treasure
Or just a moment's pleasure?
Can I believe the magic of your sighs?
Will you still love me tomorrow?

Tonight with words unspoken
You say that I'm the only one
But will my heart be broken
When the night meets the morning sun?

I'd like to know that your love
Is love I can be sure of
So tell me now, and I won't ask again
Will you still love me tomorrow?

(INSTRUMENTAL)

So tell me now, and I won't ask again
Will you still love me tomorrow?
Will you still love me tomorrow?
Will you still love me tomorrow?

When Will I Be Loved lyrics - Phil Everly

I've been cheated, been mistreated
When will I be loved?
I've been put down.
I've been pushed 'round
When will I be loved?
(Verse:)
When I find a new man
that I want for mine,
it always breaks my heart in two.
It happens every time
I've been made blue. I've been lied to.
When will I be loved?
(Back to Verse:)
I've been cheated, been mistreated
When will I be loved?
I've been put down.
I've been pushed 'round
When will I be loved?

Why do fools fall in love – Frankie Leyman

oh wah, oh wah, oh wah, oh wah, oh wah, oh
wah

Why do fools fall in love?
why do birds sing so gay?
And lovers await the break of day
Why do they fall in love?

Why does the rain fall from above?
Why do fools fall in love?
Why do they fall in love?

Love is a losing game
Love can ashame
I know of a fool
you see
for that fool is me

Tell me why, Whyyyy, Whyyy
Tell me why

Why do birds sing so gay?
And lovers await the break of day?
Why do they fall in love?

Why does my heart skip a crazy beat?
Before I know it will reach defeat!

Tell me why, Whyyyy, Whyyy

Why do fools fall in love?

All my loving – the Beatles

Close your eyes and I'll kiss you,
Tomorrow I'll miss you;
Remember I'll always be true.
And then while I'm away,
I'll write home ev'ry day,
And I'll send all my loving to you.

I'll pretend That I'm missing
the lips I am missing
And hope that my dreams will come true.
And then while I'm away,
I'll write home ev'ry day,
And I'll send all my loving to you.

All my loving I will send to you.
All my loving, darling I'll be true.

Close your eyes and I'll kiss you,
Tomorrow I'll miss you:
Remember I'll always be true.
And then while I'm away,
I'll write home ev'ry day,
And I'll send all my loving to you

All my loving I will send to you.
All my loving darling I'll be True.
All my loving All my loving ooh
All my loving I will send to you

Baby's in black – The Beatles

Oh dear, what can I do?
Baby's in black and I'm feeling blue,
Tell me, oh what can I do?
She thinks of him and so she dresses in black,
And though he'll never come back, she's
dressed in black.

Oh dear, what can I do?
Baby's in black and I'm feeling blue,
Tell me, oh what can I do?
I think of her, but she thinks only of him,
And though it's only a whim, she thinks of
him.

Oh how long will it take,
Till she sees the mistake she has made?
Dear what can I do?

Baby's in black and I'm feeling blue,
Tell me, oh what can I do?

Oh how long will it take,
Till she sees the mistake she has made?
Dear what can I do?

Baby's in black and I'm feeling blue,
Tell me, oh what can I do?

She thinks of him and so she dresses in black,
And though he'll never come back, she's
dressed in black.

Oh dear, what can I do?
Baby's in black and I'm feeling blue,
Tell me, oh what can I do?

Cupid – Sam Cooke

Cupid draw back your bow
And let your arrow go
Straight back to my lover's heart for me
Cupid please hear my cry
And let your arrow fly
Straight to my lover's heart for me

Now I don't mean to bother you
But I'm in distress
There's danger of me losing all of my
happiness
For I love a girl who doesn't know I exist
And this you can fix So...

Cupid draw back your bow
And let your arrow go
Straight to my lover's heart for me
Cupid please hear my cry
And let your arrow fly
Straight to my lover's heart for me

Cupid with your arrow make her love strong
for me
I promise I will love her until eternity
I know between the two of us her heart we
can steal
help me if you will So...

Cupid draw back your bow
And let your arrow go
Straight to my lover's heart for me
Cupid please hear my cry
And let your arrow fly
Straight to my lover's heart for me

Cupid
don't you hear me
calling you
I need you
Cupid
help me

Crying in the rain – the Everly Brothers

I'll never let you see
The way my broken heart is hurtin' me
I've got my pride and I know how to hide
All my sorrow and pain
I'll do my cryin' in the rain

If I wait for cloudy skies
You won't know the rain from the tears in my eyes
You'll never know that I still love you so
Though the heartaches remain
I'll do my cryin' in the rain

Rain drops fallin' from heaven
Could never wash away my misery
But since we're not together
I pray for stormy weather
To hide these tears I hope you'll never see

Some day when my cryin's done
I'm gonna wear a smile and walk in the sun
I may be a fool but till then darling you'll
Never see me complain
I'll do my cryin' in the rain

I'll do my cryin' in the rain
I'll do my cryin' in the rain

Goin' Back – the Byrds

I think I'm goin' back
To the things I learned so well in my youth
I think I'm returning to
Those days when I was young enough to
know the truth
Now there are no games
To only pass the time
No more electric trains
No more trees to climb
But thinking young and growing older is no
sin
And I can play the game of life to win

I can recall a time
When I wasn't ashamed to reach out to a
friend
Now I think I've got
A lot more than just my toys to lend
Now there's more to do
Than watch my sailboat glide
But every day can be
A magic carpet ride
A little bit of courage is all we lack
So catch me if you can, I'm goin' back

La la la la la, etc.
Now there's more to do
Than watch my sailboat glide
But every day can be
A magic carpet ride
A little bit of courage is all we lack
So catch me if you can, I'm goin' back

La la la la, etc.

House of the rising sun -The Animals

There is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor boy
And God I know I'm one

My mother was a tailor
She sewed my new bluejeans
My father was a gamblin' man
Down in New Orleans

Now the only thing a gambler needs
Is a suitcase and trunk
And the only time he's satisfied
Is when he's on a drunk

----- organ solo -----

Oh mother tell your children
Not to do what I have done
Spend your lives in sin and misery
In the House of the Rising Sun

Well, I got one foot on the platform
The other foot on the train
I'm goin' back to New Orleans
To wear that ball and chain

Well, there is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor boy
And God I know I'm one

I'm a Believer – The Monkees

I thought love was only true in fairy tales
Meant for someone else but not for me.
Love was out to get me
That's the way it seemed.
Disappointment haunted all my dreams.

Then I saw her face, now I'm a believer
Not a trace of doubt in my mind.
I'm in love, I'm a believer!
I couldn't leave her if I tried.

I thought love was more or less a givin' thing,
Seems the more I gave the less I got.
What's the use in tryin'?
All you get is pain.
When I needed sunshine I got rain.

Then I saw her face, now I'm a believer
Not a trace of doubt in my mind.
I'm in love, I'm a believer!
I couldn't leave her if I tried.

I only want to be with you – Dusty Springfield

I dont know what it is that makes me love you
so

I only know I never want to let you go
cause youve started something

Oh, cant you see?

That ever since we met

Youve had a hold on me

It happens to be true

I only want to be with you

It doesnt matter where you go or what you do
I want to spend each moment of the day with
you

Oh, look what has happened with just one kiss

I never knew that I could be in love like this

Its crazy but its true

I only want to be with you

You stopped and smiled at me

And asked if Id care to dance

I fell into your open arms

And I didnt stand a chance

Now listen honey

I just want to be beside you everywhere

As long as were together, honey, I dont care
cause youve started something

Oh, cant you see?

That ever since we met

Youve had a hold on me

No matter what you do

I only want to be with you

Oh, oh, you stopped and you smiled at me

And asked if Id care to dance

I fell into your open arms

And I didnt stand a chance

Now hear me tell you

I just want to be beside you everywhere

As long as were together, honey, I dont care
cause youve started something

Oh, cant you see?

That ever since we met

Youve had a hold on me

No matter what you do

I only want to be with you

I said no matter, no matter what you do

I only want to be with you

Daydream Believer - Monkees

Oh I could hide 'neath the wing

Of the blue bird as she sings

The six-o'clock alarm would never ring

But six rings and I rise

Wipe the sleep out of my eyes

The shaving razor's cold and it stings

{Refrain}

Cheer up sleepy Jean

Oh what can it mean to a

Daydream believer and a

Homecoming queen

You once thought of me

As a white knight on his steed

Now you know how happy I can be

Oh, our good times start and end

Without all i want to spend

But how much baby do we really need

Ob-la-di, ob-la-da - Marmalade

Desmond has a barrow in the marketplace
Molly is the singer in a band
Desmond say to Molly, girl I like you face
And Molly says this as she takes him by the hand

Ob-la-di, ob-la-da,
Life goes on, bra
La la how the life goes on
Ob-la-di, ob-la-da
Life goes on, bra

Buys a twenty carat golden ring, (rin-ring)
Takes it back to Molly waiting at the door
And as he gives it to her she begins to sing (sin-sing)

have built a home sweet home
With a couple of kids running in the yard

Happy ever after in the market place

Molly stays at home and does her pretty face
And in the evening she's a singer with the band

Chorus

Happy ever after in the market place
Molly lets the children lend a hand
Desmond stays at home and does his pretty face
And in the evening she's a singer with the band

Please Stay – The Crying Shames

If I got on my knees and I pleaded with you
Not to go but to stay in my arms
Would you walk out the door
Like you did once before

This time be different
Please stay don't go

If I call out your name like a prayer
Would you leave me alone with my tears
Knowing I need you so
Would you still turn and go

This time be different please stay
Don't go please stay

I loved you before I even knew your name
I wanted to give you my heart
But when you came back after me one time
Oh I knew, yes I knew that the heartaches
would start

If I called out your name like a song
That was written for you, you alone
Would you still hurt all my pride
Oh, hey, how I cried

This time be different
Please stay

Marmalade - Reflections Of My Life

The changing of sunlight to moonlight
Reflections of my life, oh, how they fill my
eyes
The greetings of people in trouble
Reflections of my life, oh, how they fill my
eyes

All my sorrows, sad tomorrows
Take me back to my own home
All my cryings (all my cryings), feel I'm
dying, dying
Take me back to my own home (oh I'm going
home)

(Instrumental interlude)

I'm changing, arranging, I'm changing
I'm changing everything, ah, everything
around me

The world is a bad place, a bad place
A terrible place to live, oh, but I don't wanna
die

All my sorrows, sad tomorrows
Take me back, to my old home
All my cryings, (all my cryings), feel I'm
dying, dying
Take me back to my old home (I'm going
home)

All my sorrows, sad tomorrows
Take me back, (take me back) to my old
home

Stand by me – Ben E King

When the night has come
And the land is dark
And the moon is the only light we'll see
No I won't be afraid, no I won't be afraid
Just as long as you stand, stand by me

And darlin', darlin', stand by me, oh now now
stand by me
Stand by me, stand by me

If the sky that we look upon
Should tumble and fall
And the mountains should crumble to the sea
I won't cry, I won't cry, no I won't shed a tear
Just as long as you stand, stand by me

And darlin', darlin', stand by me, oh stand by
me
Stand by me, stand by me, stand by me-e,
yeah

Whenever you're in trouble won't you stand
by me, oh now now stand by me
Oh stand by me, stand by me, stand by me

Darlin', darlin', stand by me-e, stand by me
Oh stand by me, stand by me, stand by me

Love Hurts – Roy Orbison

Love hurts, love scars, love wounds and mars
Any heart not tough nor strong enough
To take a lot of pain, take a lot of pain,
Love is like a cloud, holds a lot of rain
Love hurts
Oooh love hurts.

I'm young, I know, but even so
I know a thing or two, I've learned from you
I've really learned a lot, really learned a lot
Love is like a flame ,it burns you when it's hot
Love hurts, love hurts

Some fools rave on happiness, blissfullness,
togetherness
Some fools fool themselves I guess
But they're not fooling me

I know it isn't true, know it isn't true
Love is just a lie, made to make you blue
Love hurts
Oooh lov
Oooh love hurts.
Oooh love hurts.
e hurts.
Oooh love hurts.

Accidents Will Happen – Elvis Costello

oh I just don't know where to begin
love just doesn't wait forever
it's now or never
but she keeps him hanging on
the silly cheering her on
she says she can't go home without a
chaperon

chorus
accidents will happen
they're only hit and run
you used to be a victim
now you're not the only one
accidents will happen
they're only hit and run
I don't want to hear it
'cause I know what I've done

there's so many fish in the sea
that only rise up in a sweat of smoke like
mercury
but they keep you hanging on
they say you're so young
your mind is made up
but your mouth is undone

chorus

and it's the damage that we do
you'll never know
it's the words that we don't say
that scare me so
there are so many people to see
so many people you can check upon
and add to your collection
but they keep you hanging on
until you're well hung
your mouth is made up
but your mind is undone

chorus

Hungry Heart – Bruce Springsteen

Got a wife and kids in baltimore jack
I went out for a ride and I never went back
Like a river that don't know where it's flowing
I took a wrong turn and I just kept going

Everybodys got a hungry heart
Everybodys got a hungry heart
Lay down your money and you play your part
Everybodys got a hungry heart

I met her in a kingstown bar
We fell in love I knew it had to end
We took what we had and we ripped it apart
Now here I am down in kingstone again

Everybodys got a hungry heart...

Everybody needs a place to rest
Everybody wants to have a home
Don't make no difference what nobody says
Aint nobody like to be alone

Everybodys got a hungry heart...

In The Arms Of Mary - Sutherland Brothers & Quiver

The lights shine down the valley
The wind blows up the alley, Oh --
well I wish I was lying in the arms of Mary.

She took the pains of boyhood,
and turned them in to feel good, Oh --
how I wish I was lying in the arms of Mary --

Mary was the girl who taught me all I had to
know --
she put me right on my first mistake --
Summer wasn't good when I learned all she
had to show --
she really gave all a boy could take --- Oh --

So now when I get lonely,
still looking for the one and only,
That's when I wish was lying in the arms of
Mary.

INSTRUMENTAL (same as part asterisked
above)

I'm a one man band – Leo Sayer

Ev'rybody knows down Ladbroke Grove
You have to leap across the street
You can lose your life under a taxi cab
You gotta have eyes in your feet

You find a nice soft corner and you sit right
down
Take up your guitar and play
Then the police come and say move along
So you move along all day.

I'm a one man band
Nobody cares or understands.
Is there anybody out there who could lend a
hand
To my one man band?

For three days now I haven't eaten at all
My my I must be getting so thin
Soon my cap won't be large enough
To drop a half a crown in.

So hey there
Mister don't you look so sad

Don't look so ill at ease
I can play you any song you choose
To cheer up the life you lead.
I'm a one man band

...

And nobody hears the minstrel boy
As he sings his tale of woe
Nobody sees him disappear
And nobody sees him go.
So hey there Mister don't you look so sad

...

I'm a one man band

...

Oh look at the rain falling.
Oh look at the rain.

Sorrow – The Mersey Beats

With your long blond hair and your eyes of
blue
The only thing I ever got from you
Was Sorrow - Sorrow

You're acting funny, try to spend my money
Out there playing your high class games
Of Sorrow - Sorrow

You never do what you know you ought to
Something tells me you're the devil's daughter
Sorrow - Sorrow

I tried to find her cause I can't resist her
I never knew just how much I missed her
Sorrow - Sorrow

With your long blond hair and your eyes of
blue
The only thing I ever got from you
Was Sorrow - Sorrow

With your long blond hair, I couldn't sleep
last night
With your long blond hair.

Take It Easy – The Eagles

Well, I'm running down the road
tryin' to loosen my load
I've got seven women on my mind,
Four that wanna own me,
Two that wanna stone me,
One says she's a friend of mine

Take It easy, take it easy
Don't let the sound of your own wheels
drive you crazy
Lighten up while you still can
don't even try to understand
Just find a place to make your stand
and take it easy

Well, I'm a standing on a corner
in Winslow, Arizona
and such a fine sight to see
It's a girl, my Lord, in a flatbed
Ford slowin' down to take a look at me

Come on, baby, don't say maybe
I gotta know if your sweet love is
gonna save me
We may lose and we may win though
we will never be here again
so open up, I'm climbin' in,
so take it easy

Well I'm running down the road trying to
loosen
my load, got a world of trouble on my mind
lookin' for a lover who won't blow my
cover, she's so hard to find

Take it easy, take it easy
don't let the sound of your own
wheels make you crazy
come on baby, don't say maybe
I gotta know if your sweet love is
gonna save me, oh oh oh
Oh we got it easy
We oughta take it easy

**Up Around The Bend - Creedence Clearwater
revival**

There's a place up ahead and I'm goin' just as
fast as my feet can fly
Come away, come away if you're goin', leave
the sinkin' ship behind.

CHORUS:

Come on the risin' wind, we're goin' up
around the bend.

Ooh!

Bring a song and a smile for the banjo, better
get while the gettin's good,
Hitch a ride to the end of the highway where
the neons turn to wood.

CHORUS

Oooh!

You can ponder perpetual motion, fix your
mind on a crystal day,
Always time for a good conversation, there's
an ear for what you say.

CHORUS

Yeah!

Oooh!

Catch a ride to the end of the highway and
we'll meet by the big red tree,
There's a place up ahead and I'm goin', come
along, come along with me.

CHORUS

Yeah!

Do do doo do...

When I'm Dead and gone – McGuinness Flint

Oh I love you baby, I love you night and day
When I leave you baby, don't cry the night
away
When I die, don't you write no words upon
my tomb
I don't believe, I want to leave no epitaph for
two

Oh oh oh oh, when I'm dead and gone
I wanna leave some happy woman living on
Oh oh oh oh, when I'm dead and gone
Don't want nobody to morn beside my grave -
yeah

Oh, Mama Linda, she's out to get my hide
She's got a shotgun and a daughter by her side
Hey there, ladies, Johnson's free
Who's got the love, who's got the love to keep
a man like me

Oh oh oh oh, when I'm dead and gone
I'm gonna leave some happy woman living on
Oh oh oh oh, when I'm dead and gone
Don't want nobody to morn beside my grave -
yeah

Oh oh oh oh, when I'm dead and gone
I don't want nobody to morn beside my grave
Oh oh oh oh, when I'm dead and gone, when

Dancing in the dark – Bruce Springsteen

I get up in the evening, and I ain't got nothing
to say
I come home in the morning, I go to bed
feeling the same way
I ain't nothing but tired, man I'm just tired and
bored with myself
Hey there baby, I could use just a little help

(Chorus)
You can't start a fire, you can't start a fire
without a spark
This gun's for hire even if we're just dancing
in the dark

Message keeps getting clearer, radio's on and
I'm moving round the place
I check myself out in the mirror I wanna
change my clothes my hair my face
Man I ain't getting nowhere just sitting in a
dump like this
There's something happening somewhere
baby I just know that there is

(Chorus)

You sit around getting older there's a joke
here somewhere and it's on me
I'll shake this world off my shoulders come
baby this laughs on me
Stay on the streets of this town and they'll be
carving you up alright
They say you got to stay hungry hey baby I'm
just about starving tonight
I'm dying for some action I'm sick of sitting
'round here trying to write this book
I need a love reaction come on now baby give
me just one look

(Chorus)

Hey baby!

Just When I Needed You Most – Randy Vanwarmer

You packed in the morning,
I stared out the window
And I struggled for something to say
You left in the rain without closing the door
I didn't stand in your way.

But I miss you more than I missed you before
And now where I'll find comfort, God knows
'Cause you left me just when I needed you
most
Left me just when I needed you most.

Now most every morning, I stare out the
window
And I think about where you might be
I've written you letters that I'd like to send
If you would just send one to me.

'Cause I need you more than I needed before
And now where I'll find comfort, God knows
'Cause you left me just when I needed you
most
Left me just when I needed you most.

You packed in the morning,
I stared out the window
And I struggled for something to say
You left in the rain without closing the door
I didn't stand in your way.

Now I love you more than I loved you before
And now where I'll find comfort, God knows
'Cause you left me just when I needed you
most
Oh yeah, you left me just when I needed you
most
You left me just when I needed you most

MARY'S PRAYER - Danny Wilson

Everything is wonderful,
Being here is heavenly
Every single day, she says,
Everything is free
I used to be so careless,
As if I couldn't care less
Did I have to make mistakes?
When I was Mary's prayer
Suddenly the heavens rolled
Suddenly the rain came down
Suddenly was washed away,
The Mary that I knew

So when you find somebody who gives
Think of me and celebrate
I made such a big mistake
When I was Mary's Prayer

CHORUS:

So if I say save me save me
Be the light in my eyes
And if I say ten Hail Mary's
Leave a light on heaven for me

Blessed is the one who shares
The power and your beauty, Mary
Blessed is the millionaire
Who shares your wedding day
So when you find somebody to give
Think of me and celebrate
I made such a big mistake
When I was Mary's Prayer

CHORUS (twice)

If you want the fruit to fall
You have to give the tree a shake
But if you shake the tree too hard,
The bough is gonna break
And if I can't reach the top of the tree
Mary you can hold me up there
What I wouldn't give to be
When I was Mary's prayer

CHORUS (twice)

Save me, save me
Be the light in my eyes
What I wouldn't give to be
When I was Mary's prayer
What I wouldn't give to be
When I was Mary's prayer
What I wouldn't give to be (save me)
When I was Mary's prayer

Sail this sip alone – The Beautiful South

If, if you choose that we will always lose
Well then I'll sail this ship alone
And if, if you decide to give him another try
Well then I'll sail this ship alone
Well they said if I wrote the perfect love song
You would take me back
Well I wrote it but I lost it
And now will you take me back anyway

Now if, if you insist that this is for the best
Well then I'll sail this ship alone
And if, if you swear that you no longer care
Well then I'll sail this ship alone

I'll sail this ship alone
Between the pain and the pleasure
I'll sail this ship alone
Amongst the sharks and the treasure
If you would rather go your way then go your way
I'll sail this ship alone

If, if you're afraid that I won't make the grade
Well then I'll sail this ship alone
And if, if you agree to him instead of me
Well then I'll sail this ship alone

Well they said if I wrote the perfect letter
That I would have a chance
Well I wrote it, and you burnt it
And now do I have a chance anyway

If, if you swear that you no longer care
Well then I'll sail this ship alone

I'll sail this ship alone
Between the pain and the pleasure
I'll sail this ship alone
Amongst the sharks and the treasure
If you would rather go your way then go your way
I'll sail this ship alone

Well they said if I burnt myself alive
That you'd come running back

Meet me on the corner – Lindesfarne

Hey mr dreamseller, where have you been,
tell me have you dreams i can see?
I came along, just to bring you this song,
Can you spare one dream for me?

You won't have met me, and you'll soon
forget me,
so don't mind me tugging at your sleeve.
I'm asking you, if i can fix a rendezvous.
For your dreams are all I believe.

Meet me on the corner when the lights are
coming on,
and i'll be there, i promise i'll be there.
Down the empty streets we'll disappear until
the dawn
if you have dreams enough to share.

Lay down your bundles, of rags and
reminders,
and spread your wares on the ground.
Well I've got time, if you deal in rhyme,
I'm just hanging around.

Arthur's Sing along songs

Last Thing On My Mind – Tom Paxton

It's a lesson too late for the learnin',
Made of sand, made of sand.
In the wink of an eye my soul is turnin'
In your hand, in your hand.
Chorus:
Are you goin' away with no word of farewell?
Will there be not a trace left behind?
I could have loved you better, didn't mean to
be unkind;
Oh, you know that was the last thing on my
mind.
You had reasons a-plenty for goin',
This I know, this I know.
And the weeds have been steadily growin',
Please don't go, please don't go.
(Chorus)
As I lie in my bed in the mornin',
Without you, without you,
Every song in my heart dies a-bornin',
Without you, without you.
(Chorus)
Oh, you know that was the last thing on my
mind.

Annie's Song – John Denver

You fill up my senses
like a night in the forest
like the mountains in springtime,
like a walk in the rain
like a storm in the desert,
like a sleepy blue ocean
you fill up my senses,
come fill me again.

Come let me love you,
let me give my life to you
let me drown in your laughter,
let me die in your arms
let me lay down beside you,
let me always be with you
come let me love you,
come love me again.

(instrumental)

You fill up my senses
like a night in the forest
like the mountains in springtime,
like a walk in the rain
like a storm in the desert,
like a sleepy blue ocean
you fill up my senses,
come fill me again.

Arthur's Sing along songs

For the good times – Perry Como

Don't look so sad, I know it's over,
But life goes on and this ol' world will keep
on turning.
Let's just be glad we had some time to spend
together,
There's no need to watch the bridges that
we're burning.

Lay your head upon my pillow,
Hold your warm and tender body close to
mine,
Hear the whisper of the raindrops blowing
soft across the window,
And make believe you love me one more
time,
For the good times . . .

I'll get along, you'll find another,
And I'll be here if you should find you ever
need me,
Don't say a word about tomorrow, or forever,
There'll be time enough for sadness when you
leave me . . .

Lay your head upon my pillow,
Hold your warm and tender body close to
mine,
Hear the whisper of the raindrops blowing
soft across the window,
And make believe you love me one more
time,
For the good times . . .

You were always on my mind – Willie Nelson

Maybe I didn't treat you
Quite as good as I should have
Maybe I didn't love you
Quite as often as I could have
Little things I should have said and done
I just never took the time
You were always on my mind
You were always on my mind

Maybe I didn't hold you
All those lonely, lonely times
And I guess I never told you
I'm so happy that you're mine

If I made you feel second best
Girl I'm so sorry I was blind
You were always on my mind
You were always on my mind

Tell me, tell me that your sweet love hasn't
died
Give me, give me one more chance to keep
you satisfied, satisfied

Little things I should have said and done
I just never took the time
You were always on my mind
You were always on my mind
You were always on my mind

Arthur's Sing along songs

Handyman – James Taylor

Hey girls, gather round
Listen to what I'm putting down
Whoo baby, I'm your handyman

I'm not the kind to use a pencil or rule
I'm handy with love and I'm no fool
I fix broken hearts, I know that I truly can

If your broken heart should need repair
Than I am the man to see
I whisper sweet things, you tell all your friends
They'll come runnin' to me

Here is the main thing I want to say
I'm busy 24 hours a day
I fix broken hearts, I know that I truly can

Come-a, come-a, come-a, come-a, come,
come
Yeah, yeah, yeah
Come-a, come-a, come-a, come-a, come,
come,
They'll come runnin' to me

Here is the main thing I want to say
I'm busy 24 hours a day
I fix broken hearts, baby I'm your handy man

Come-a, come-a, come-a, come-a, come,
come
Yeah, yeah, yeah
Come-a, come-a, come-a, come-a, come,
come,
They'll come runnin' to me
That's me. (2x's)

American without tears – Elvis Costello

Outside in New Orleans the heat was almost
frightening, But my hotel room as usual was
freezing and unkind, On TV they prosecute
anyone who's exciting, So I put on my
overcoat and went down to find

In Revlon and Crimpelene they captured my
heart, To the strain of a piano and a cocktail
murderess, She was singing that "It's Too
Late", I agreed with that part, For two English
girls who had changed their address

[chorus]
Now it seems we've been crying for years and
for years, Now I don't speak any English, just
American without tears
Just American without tears

One had been a beauty queen and the other
was her friend, They had known rogues and
rascals and showbiz impresarios
While the boys were licking Hitler they had
something to defend, From men armed with
chewing gum and fine nylon hose
By a bicycle factory as they sounded the siren
And returned into the dancehall she knew he
was the one, Though he wasn't tall or
handsome she laughed when he told her
"I'm the Sheriff of Nottingham and this is
Little John"

[chorus]
At a dock in Southampton full of tearful
goodbyes, Newsreel commentators said
"Cheerio, G.I. brides"
Soon they'll be finding the cold facts and lies
New words for suspenders and young girls
backsides

Now I'm in America and running from you
Like my grandfather before me walked the
streets of New York
And I think of all the women I pretend mean
more than you
When I open my mouth and I can't seem to
talk

Now it seems we've been crying for years and
for years
Now I don't speak any English just American
without tears
Just American without tears

Arthur's Sing along songs

From a Jack to a King – Elvis Presley

From a jack to a king of loneliness to a
wedding ring
I've played a ace and I won the queen
I walked away with your heart

From a jack to a king
With no regrets I stacked, I stacked the cards,
I stacked the cards last night
And lady luck played her hand just right
You made me king of your heart

Oh for just a little while I thought that I might
lose the game
Oh but just in time I saw that twinkle in your
eyes
From a jack to a king of loneliness to a
wedding, wedding, wedding ring
I played an ace and I won the queen
You made me king of your heart

For just a little while I thought that I might
lose the game
Oh but just in time I saw, I saw that twinkle in
your eyes
From a jack to a king from loneliness to a
wedding, wedding, wedding ring
I played an ace and I won the queen
You made me king of your heart

Jamaica (say you will) – Jackson Browne

Jamaica was the lovely one, I played her well
As we lay in the tall grass where the shadows fell
Hiding from the children so they would not tell
We would stay there 'till her sister rang the
evening bell

Jamaica, say you will
Help me find a way to fill these empty hours
Say you will come again tomorrow

The daughter of a captain on the rolling seas
She would stare across the water from the trees
Last time he was home he held her on his knees
And said the next time they would sail away just
where they pleased

Jamaica, say you will
Help me find a way to fill these lifeless sails
And stay until my ships can find the sea

Jamaica was a sweet young one, I loved her true
She was a comfort and a mercy through and
through
Hiding from this world together, next thing I
knew
We had brought her things down to the bay
- what could I do

Jamaica, say you will
Help me find a way to fill these sails
And we will sail until our waters have run dry

Arthur's Sing along songs

On and on – Stephen Bishop

Down in Jamaica
They got lots of pretty women
Steal your money
Then they break your heart
Lonesome Sue, she's in love with ol' Sam
Take him from the fire into the frying pan

On and on
She just keeps on trying
And she smiles when she feels like crying
On and on, on and on, on and on

Poor ol' Jimmy
Sits alone in the moonlight
Saw his woman kiss another man
So he takes a ladder
Steals the stars from the sky
Puts on Sinatra and starts to cry

On and on
He just keeps on trying
And he smiles when he feels like crying
On and on, on and on, on and on

When the first time is the last time
It can make you feel so bad
But if you know it, show it
Hold on tight
Don't let her say goodnight

Got the sun on my shoulders
And my toes in the sand
My woman's left me for the some other man
Aw, but I don't care
I'll just dream and stay tan
Toss up my heart to see where it lands

On and on
I just keep on trying
And I smile when I feel like dying
On and on, on and on, on and on

On and on, on and on, on and on
On and on, on and on, on and on

How Much I've Lied – Gram Parsons

darling, there is something I must tell you,
you must know
but it's so hard to say the words I feel
this fancy that I'm on has been going on too
long
it's time we stopped pretending things are real

'cause I've been living deep in sin, I've been
living blind
and I don't know just what's right or wrong
to take a chance on losing you was such a
silly thing to do
the chance I might wake up and find you gone

blue, so blue, my love is burning blue
any brighter flame would be a lie

blue, so blue, my love still burns for you
but I know that I'll only make you cry

a thief can only steal from you, he cannot
break your heart
he'll never touch the precious things inside
so one like you should surely be miles and
miles away from me
then you'd never care how much I've lied

so try to understand the pain
it takes so long when I explain
so please, don't you forget how much I've lied

Arthur's Sing along songs

Shipbuilding – Robert Wyatt

Is it worth it?
A new winter coat and shoes for the wife
And a bicycle on the boy's birthday

It's just a rumour that was spread around town
By the women and children
Soon we'll be shipbuilding.....

Well I ask you
The boy said "Dad they're going to take me to
task, but I'll be back by Christmas"

It's just a rumour that was spread around town
Somebody said that someone got filled in
For saying that people get killed in
The result of this shipbuilding

With all the will in the world
Diving for dear life
When we could be diving for pearls

It's just a rumour that was spread around town
A telegram or a picture postcard
Within weeks they'll be re-opening the
shipyards
And notifying the next of kin
Once again

It's all we're skilled in
We will be shipbuilding.....

With all the will in the world
Diving for dear life
When we could be diving for pearls

Somewhere In My Heart – Aztec Camera

Summer in the city where the air is still
A baby being born to the overkill
Who cares what people say
We walk down love's motorway

Ambition and love wearing boxing gloves
And singing hearts and flowers

Chorus:
(But) Somewhere in my heart * (only in some
chorus's)

There is a star that shines for you
Silver splits the blue
Love will see it through
And somewhere in my heart
There is the will to set you free
All you've got to be is true

A star above the city in the northern chill
A baby being born to the overkill
No say no place to go
A t.v. and a radio

Amibition and love wearing boxing gloves
And singing hearts and flowers

Chorus

But who could heal
What's never been as one
And our hearts have been torn
Since the day we were born
Just like anyone

From Westwood to Hollywood
The one thing that's understood
Is that you can't buy time
But you can sell your soul
And the closest thing to heaven is to rock and
roll

Arthur's Sing along songs

I can hear music – The Beach Boys

This is the way
I always dreamed it would be
The way that it is, oh oh
When you are holding me
I never had a love of my own
Maybe that's why when we're all alone

I can hear music
I can hear music
The sound of the city baby seems to disappear
I can hear music
Sweet sweet music
Whenever you touch me baby
Whenever you're near

Lovin' you
It keeps me satisfied
And I can't explain, oh no
The way I'm feeling inside
You look at me we kiss and then
I close my eyes and here it comes again

I can hear music
I can hear music
The sound of the city baby seems to disappear
I can hear music
Sweet sweet music
Whenever you touch me baby
Whenever you're near

I hear the music all the time, yeah
I hear the music, hold me tight now baby
I hear the music all the time
I hear the music
I hear the music (baby)

Ahhhhh

I can hear music
I can hear music
The sound of the city baby seems to disappear
I can hear music
Sweet sweet music
Whenever you touch me baby
Whenever you're near

This boy – The Beatles

That boy took my love away
Oh, he'll regret it some day
But this boy wants you back again

That boy isn't good for you
Though he may want you too
This boy wants you back again

Oh, and this boy would be happy
Just to love you, but oh, my, oh
That boy won't be happy
till he's seen you cry

This boy wouldn't mind the pain
Would always feel the same
If this boy gets you back again

This boy, this boy...

Cottonfields – The Beach Boys

When I was a little bitty baby
My mama done rock me in the cradle
In them old cotton fields back home
It was back in louisiana
Just about a mile from texarkana
In them old cotton fields back home

Let me tell you now well got me in a fix
I caught a nail in my tire doing lickitey splits
I had to walk a long long way to town
Came upon a nice old man well he had a hat
on
Wait a minute mister can you give me some
directions
I gonna want to be right off for home

Don?t care if them cotton balls get rotten
When I got you baby, who needs cotton
In them old cotton fields back home
Brother only one thing more that?s gonna
warm you
A summer?s day out in california
It?s gonna be those cotton fields back home

It was back in louisiana
Just about a mile from texarkana
Give me them cotton fields
(it was back in louisiana)
Let me hear it for the cotton fields
(just about a mile from texarkana)
You know that there?s just no place like home

Well boy it sure feels good to breathe the air
back home
You shoulda seen their faces when they seen
how I grown
In them old cotton fields back home

Behind closed doors – Charlie Rich

My baby makes me proud
Lord, don't she make me proud
She never makes a scene
By hanging all over me in a crowd
'Cause people like to talk
Lord, don't they love to talk
But when they turn out the lights
I know she'll be leaving with me

And when we get behind closed doors
Then she lets her hair hang down
And she makes me glad that I'm a man
Oh, no-one knows what goes on behind
closed doors

My baby makes me smile
Lord, don't she make me smile
She's never far away
Or too tired to say: "I want you"
She's always a lady, just like a lady should be
But when they turn out the lights
She's still a baby to me

'Cause when we get behind closed doors
Then she lets her hair hang down
And she makes me glad that I'm a man
Oh, no-one knows what goes on behind
closed doors
Behind closed doors

So Sad (to watch good love go bad) – The Everly Brothers

We used to have good times together
But now I feel them slip away
It makes me cry to see love die
So sad to watch good love go bad

Remember how you used to feel, dear
You said nothing could change your mind
It breaks my heart to see us part
So sad to watch good love go bad

Is it any wonder that I feel so blue ue, ue
When I know for certain that I'm losing you-
ou-ou-ou-ou-ou-ou

Remember how you used to feel, dear
You said nothing could change your mind
It breaks my heart to see us part
So sad to watch good love go bad

So sad to watch good love go bad

Only The Lonely – Roy Orbison

Dum dum dum, dummy doo wah
Ooh yay, yay, yay, yeah
Oh oh oh, oh oh ah
Only the lonely, only the lonely

Only the lonely
(Dum dum dum, dummy doo wah)
Know the way I feel tonight
(Ooh yay, yay, yay, yeah)
Only the lonely
(Dum dum dum, dummy doo wah)
Know this feeling ain't right
(Dum dum dum, dummy doo wah)

There goes my baby, there goes my heart
They're gone forever, so far apart
But only the lonely know why I cry
Only the lonely

Dum dum dum, dummy doo wah
Ooh yay, yay, yay, yeah
Oh oh oh, oh oh ah
Only the lonely, only the lonely

Only the lonely
(Dum dum dum, dummy doo wah)
Know the heartaches I've been through
(Ooh yay, yay, yay, yeah)
Only the lonely
(Dum dum dum, dummy doo wah)
Know I cry and cry for you
(Dum dum dum, dummy doo wah)

Maybe tomorrow, a new romance
No more sorrow but that's the chance
You've got to take, if your lonely heart
breaks
Only the lonely
(Dum dum dum, dummy doo wah)

Arthur's Sing along songs

Your cheatin' heart - Hank Williams

Your cheatin' heart,
Will make you weep,
You'll cry and cry,
And try to sleep,
But sleep won't come,
The whole night through,
Your cheatin heart, will tell on you...

When tears come down,
Like falling rain,
You'll toss around,
And call my name,
You'll walk the floor,
The way I do,
Your cheatin' heart, will tell on you...

Your cheatin' heart,
Will pine some day,
And crave the love,
You threw away,
The time will come,
When you'll be blue,
Your cheatin' heart, will tell on you...

When tears come down,
Like falling rain,
You'll toss around,
And call my name,
You'll walk the floor,
The way I do,
Your cheatin' heart, will tell on you...

The race is on – George Jones

I feel tears wellin' up
Cold and deep inside
Like my heart's sprung a big break
And a stab of loneliness sharp and painful
That I may never shake
You might say that I was takin' it hard
Oh, she wrote me off with a call
But don't you wager that I'll hide the sorrow
When I break right down and bawl

Well, the race is on
And here comes pride up the backstretch
Heartaches are goin' to the inside
My tears are holdin' back
They're tryin' not to fall
My heart's out of the runnin'
True love's scratched for another's sake
The race is on and it looks like heartache
And the winner loses all

One day I ventured in love
Never once suspectin'
What the final result would be
How I lived in fear of wakin' up each mornin'
And thinkin' that you're gone from me
There's ache and pain in my heart
For today was the one I hated to face
Somebody new came up to win her
I came out in second place

Arthur's Sing along songs

Blue eyes cryin' in the rain – Willie Nelson

In the twilight glow I seen her
Blue eyes crying in the rain

When we kissed goodbye and parted
I knew we'd never meet again

Love is like a dying ember
And only memories remain
And through the ages I'll remember

Blue eyes crying in the rain

Someday when we meet up yonder
We'll stroll hand in hand again
In the land that knows no parting
Blue eyes crying in the rain

I Threw It All Away – Bob Dylan

I once held her in my arms
She said she would always stay
But I was cruel
I treated her like a fool
I threw it all away

Once I had mountains in the palm of my hand
And rivers that ran through ev'ry day
I must have been mad
I never knew what I had
Until I threw it all away

Love is all there is, it makes the world go
'round
Love and only love, it can't be denied
No matter what you think about it
You just won't be able to do without it
Take a tip from one who's tried

So if you find someone that gives you all of
her love
Take it to your heart, don't let it stray
For one thing that's certain
You will surely be a-hurtin'
If you throw it all away

Labelled with love – Squeeze

She unscrews the top of her new whisky
bottle
And shuffles around in her candle-lit hovel
Like some kind of witch with blue fingers in
mittens
She smells like the cat and the neighbours she
sickens
The black and white T.V. has long seen a
picture
The cross on the wall is a permanent fixture
The postman delivers the final reminders
She sells of the silver and poodles in china

Drinks to remember I, me and myself
Winds up the clock and knocks dust from the
shelf
Home is a love that I miss very much
So the past has been bottled and labelled with
love

During the wartime an American pilot
Made every air-raid a time of excitement
She moved to his prairie and married the
Texan
She learnt from a distance how love was a
lesson
He became drinker and she became mother
She knew that one day she' d be one or the
other
He ate himself older and drank himself dizzy
Proud of her features she kept herself pretty

Drinks to remember I, me and myself
Winds up the clock and knocks dust from the
shelf
Home is a love that I miss very much
So the past has been bottled and labelled with
love

He like a cowboy died drunk in a slumber
Out on the porch in the middle of summer
She crossed the ocean back home to her
family
But they had retired to roads that were sandy
She moved home alone without friends or
relations
Lived in a world full of age reservations
On moth-eaten armchairs, she' d say that
she' d sod-all
The friends who had left her to drink from the
bottle

Drinks to remember I, me and myself
Winds up the clock and knocks dust from the
shelf
Home is a love that I miss very much
So the past has been bottled and labelled with
love

Drinks to remember I, me and myself
Winds up the clock and knocks dust from the
shelf
Home is a love that I miss very much
So the past has been bottled and labelled with
love
